1: Shihanquan Ginseng Essence

1.Product Overview

This product appears as a colorless to pale yellow transparent liquid with moisturizing properties.

2.Product Features & Functions

Product function	Provides moisturizing benefits.
-------------------------	---------------------------------

3.Product Specifications and Ingredients

Size of product	30ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, 1,3-propanediol, dipropylene glycol, glycerol, 1,2-pentanediol, hydroxyethyl urea, glyceryl methacrylate, maltodextrin, potassium hydroxide, betaine, acrylic acid (esters)/C ₁₀₋₃₀ alkyl alcohol acrylate cross-linked polymer, xylitol-based glucoside, Bio-Gel-1, dehydrated xylitol, and Panax ginseng root extract.

	Other trace ingredients: sodium hyaluronate, xylitol, hydrolyzed sodium hyaluronate, potassium glycyrrhizinate, Portulaca oleracea extract, glucose, Glycyrrhiza uralensis root extract, carnosine, tripeptide-1, hexapeptide-9, palmitoyl tripeptide-1, palmitoyl tripeptide-5, and palmitoyl tetrapeptide-7.
--	--

4.Direction for use

Usage method	After cleansing your skin in the morning or evening with toner, take an appropriate amount of this product, apply it evenly to your face and neck, and let it absorb.
Matters need attention	1. If the product accidentally enters your eyes during use, rinse immediately with clean water; 2. For those with sensitive skin, please first perform a patch test on the back of your hand or behind your ear.

2: Shihanquan Ginseng Essence Water

1.Product Overview

This product has moisturizing properties. Store in a cool, dry place, away from direct sunlight.

2.Product Features & Functions

Product function	Provides moisturizing benefits.
-------------------------	---------------------------------

3.Product Specifications and Ingredients

Size of product	100ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, 1,2-pentanediol, glycerol, trehalose, butanediol, polyacrylate crosslinked polymer-6, propylene glycol, ginseng (Panax ginseng) root extract, and sodium hyaluronate crosslinked polymer. Other trace ingredients: Glycyrrhiza glabra extract, Paullinia cupana seed extract, Paeonia suffruticosa root extract, panthenol, propylene glycol, Triticum vulgare, seed extract, sodium polyglutamate, hydrolyzed sodium hyaluronate, potassium glycyrrhizinate, Glycyrrhiza uralensis root extract, Tranexamic Acid, and allantoin.

4.Direction for use

Usage method	After cleansing your face, take an appropriate amount of this product and gently pat it onto your face until fully absorbed.
Matters need attention	1. If the product accidentally enters your eyes during use, rinse immediately with clean water; 2. For those with sensitive skin, please first perform a patch test on the back of your hand or behind your ear.

3: Shihanquan Ginseng Face Cream

1.Product Overview

This product appears as a Lotiony-white paste with moisturizing properties.

2.Product Features & Functions

Product function	Provides moisturizing benefits.
-------------------------	---------------------------------

3.Product Specifications and Ingredients

Size of product	50g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, octanoic acid/octanoic acid glyceryl triester, glycerol, 1,2-pentanediol, 1,3-propanediol, cetyl alcohol, PEG-100 stearate, Panax ginseng root extract, yeast/rice fermentation product filtrate, potassium hydroxide, hydrogenated palm kernel oil, glyceryl stearate, isopropyl myristate, Bacillus/Soybean fermentation product extract, cocoa (Theobroma cacao) seed fat, butyrospermum parkii fruit lipids, betaine, simmondsia chinensis seed oil, pentaerythritol tetraisoostearate, tocopheryl acetate,

	cetyl alcohol phosphate potassium, acrylic acid (esters)/C10 – 30 alkyl alcohol acrylate cross-linked polymer, xylitol-based glucoside, panthenol, dehydrated xylitol. Other trace ingredients: sodium hyaluronate, allantoin, xylitol, potassium glycyrrhizinate, glucose, Glycyrrhiza uralensis root extract, PELARGONIUM GRAVEOLENS oil, ethylhexylglycol.
--	---

4.Direction for use

Usage method	1. Take an appropriate amount of facial cream and apply it to five areas: the forehead, both cheeks, the nose, and the chin; 2. Gently apply from the chin upwards.
Matters need attention	1. If the product accidentally enters your eyes during use, rinse immediately with clean water; 2. For those with sensitive skin, please first perform a patch test on the back of your hand or behind your ear.

4: Shihanquan Amino Acid Facial Cleanser

1.Product Overview

This product is rich in multiple amino acids, gently cleanses excess oil from the skin, and leaves the face feeling refreshed and hydrated. Store in a cool, dry place, away from direct sunlight.

2.Product Features & Functions

Product function	It offers benefits such as skin conditioning and facial cleansing.
-------------------------	--

3.Product Specifications and Ingredients

Size of product	Available in two specifications: 95g and 10g
Product Ingredients	Ingredients present in amounts of $\geq 0.1\%$ (w/w): water, glycerol, sodium cocoylglycinate, cocamidopropyl betaine, butylene glycol, PEG-150 distearate, sodium lauroylglutamate, sodium hydroxypropyl starch phosphate, acrylic acid (ester) / C10 – 30 alkyl alcohol acrylate

	cross-linked polymer, 1,2-hexanediol, Hydroxyacetophenone, and 1,2-pentanediol. Other trace components: sweet orange (CITRUS SINENSIS) extract, Sophora angustifolia (SOPHORA ANGUSTIFOLIA) root extract, Scutellaria baicalensis (SCUTELLARIA BAICALENSIS) root extract, Centella asiatica (CENTELLA ASIATICA) extract, potassium glycyrrhizinate, stearic acid, glycine, serine, glutamic acid, aspartic acid, leucine, alanine, lysine, arginine, tyrosine, proline, valine, threonine, phenylalanine, isoleucine, histidine.
--	--

4.Direction for use

Usage method	Gently lather this product on damp hands, then gently massage in circular motions on your face for 1 - 2 minutes, followed by rinsing thoroughly with clean water.
Matters need attention	If the product accidentally enters your eyes during use, rinse immediately with clean water.

5: Shihanquan Time Essence Hydrating Spray

1.Product Overview

This product provides moisturizing and soothing effects.

2.Product Features & Functions

Product function	Provides moisturizing and soothing effects.
-------------------------	---

3.Product Specifications and Ingredients

Size of product	95ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, Rosa damascena flower extract, butylene glycol, 1,2-hexanediol, Hydroxyacetophenone, cetostearyl isononate, betaine, xylitol glucoside, dehydrated xylitol, cetostearyl alcohol, cetostearyl alcohol polyether-20.

	Other trace ingredients: PCA sodium; Scutellaria baicalensis (SCUTELLARIA BAICALENSIS) root extract; Glycyrrhiza inflata (GLYCYRRHIZA INFLATA) root extract; Sophora flavescens (SOPHORA FLAVESCENS) root extract; xylitol; sodium lactate; cetyl stearate; glycine; glucose; lysine; proline; alanine; serine; taurine; lactic acid; cetyl palmitate; arginine; allantoin; leucine; valine; isoleucine; threonine; aspartic acid; histidine; glutamic acid; cystine.
--	---

4.Direction for use

Usage method	Close your eyes, stand approximately 15 – 20 cm away from your face, apply an appropriate amount of product evenly to your face, then gently pat or massage it, or simply let it be absorbed naturally.
Matters need attention	If the product accidentally enters your eyes during use, rinse immediately with clean water.

6: Shihanquan Time Mask

1. Product Overview

This product effectively enhances skin brightness, reduces the depth of crow's feet wrinkles, and improves skin texture, while also providing moisturizing and anti-wrinkle benefits.

2. Product Features & Functions

Product function	It can effectively enhance skin brightness, reduce the depth of eye wrinkles, and improve skin roughness, while also providing moisturizing and anti-wrinkle benefits.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	30 mL/tablet; 30 mL × 5 tablets; 30 mL × 10 tablets
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, hydroxyethyl urea, 1,2-hexanediol, xylohexoside, acetylgalactosamine, tetrahydromethylpyrimidinocarboxylic acid, xanthan gum, glycoside of glycerol, maltodextrin, dehydrated xylose, propylene glycol. Other trace ingredients: 1,3-propanediol, xylitol, sodium hyaluronate, hydrolyzed sodium hyaluronate, hydroxyethyl cellulose, disodium EDTA, potassium glycyrrhizinate, root extract of Paeonia suffruticosa, bio-gel-1, 1,2-pentanediol, glucose, Portulaca oleracea extract, root extract of Glycyrrhiza uralensis, extract of Glycyrrhiza glabra, Acmelea oleracea extract, and filter extract from callus culture of Crithmum

	maritimum.
--	------------

4. Direction for use

Usage method	1. To achieve the best results with our facial mask, please first thoroughly cleanse your face using a makeup remover or facial cleanser, then pat the skin dry to leave it in a dry state; 2. Gently apply the facial mask to your entire face, press firmly with your fingers to remove any excess air bubbles, then apply the remaining serum from the mask bag to the uncovered areas of your face and neck; 3. Apply to the face for approximately 10 – 15 minutes, then remove; this product does not require cleansing (it is a no-wash product). 4. After removing the mask, let the serum absorb; 5. After use, apply a moisturizer to lock in moisture.
Matters need attention	If the product accidentally enters your eyes during use, rinse immediately with clean water.

7: Shihanquan Bird's Nest Mask

1. Product Overview

This product provides significant benefits in enhancing skin hydration, brightening the skin, reducing UV-induced skin damage, and promoting the division of keratinocytes.

2. Product Features & Functions

Product function	This product can effectively increase the moisture content of the skin's stratum corneum, reduce the depth of wrinkles at the eye corners, improve skin roughness, and optimize the skin's pH level. The product offers nourishing, moisturizing, and anti-wrinkle benefits.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	30 mL/tablet; 30 mL × 5 tablets; 30 mL × 10 tablets
Product Ingredients	Ingredients present at $\geq 0.1\%$ (w/w): water, butylene glycol, hydroxyethyl urea, 1,2-hexanediol, glycerol, maltodextrin, xanthan gum, glycoside of glycerol, xylitol glucoside, acetamidohexose, tetramethylpyrimidinecarboxylic acid, dehydrated xylitol, 1,2-pentanediol. Other trace ingredients: bird's nest extract, xylitol, hydrolyzed sodium hyaluronate, sodium hyaluronate, hydroxyethyl cellulose, disodium

	EDTA, disodium glycyrrhizinate, BioGel-1, glucose, purslane (<i>Portulaca oleracea</i>) extract, and glycyrrhiza (<i>Glycyrrhiza uralensis</i>) root extract.
--	---

4. Direction for use

Usage method	1. To achieve the best results with our facial mask, please first thoroughly cleanse your face using a makeup remover or facial cleanser, then pat the skin dry to leave it in a dry state; 2. Gently apply the facial mask to your entire face, press gently with your fingers to remove any excess air bubbles, and then apply the remaining essence from the mask pouch to the uncovered areas of your face and neck; 3. Apply to the face for approximately 10 – 15 minutes, then remove; this product does not require cleansing (it is a no-wash product). 4. After removing the mask, let the serum absorb; 5. After use, apply a moisturizer to lock in moisture.
Matters need attention	1. If the product accidentally enters your eyes during use, rinse immediately with clean water; 2. If you experience any discomfort during use, please stop using it immediately.

8: Quanshiai Assistant Eye Care Spray

1. Product Overview

This product is suitable for eye contour skin care and care; it contains a variety of hydrating ingredients that can alleviate dryness in the eye area, increase its moisture content, and soothe eye fatigue.

2. Product Features & Functions

Product function	Rich in various trace elements, it can relieve fatigue and discomfort, revitalizes and soothes the eye contour skin, and give your eyes a radiant glow.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	60 ml/bottle
Product Ingredients	Water, ginseng extract, glycerol, propylene glycol, sodium chloride.

4. Direction for use

Usage method	1. eye contour skin care: With your eyes open, align the eye mask with your eyes and press gently 1 – 2 times; after use, rinse the eye mask cup with clean water or wipe it with a paper towel. 2. Clean the outer surface of your eyes. Close your eyes, align the eye mask cup with your eye, and gently press it 1 – 2 times.

Patients who have undergone eye surgery or are in the postoperative recovery phase should not use this product; 4. Before using this product, you should remove makeup, cleanse your face, and clean the skin around your eyes.

9: Quanshiai Huaqing Eye Care Spray

1. Product Overview

This product combines Qiju Dihuang with polylysine to be used as an eye care solution; on one hand, it enhances the solution's efficacy in soothes eye discomfort and refreshes the eye contour area; on the other hand, it improves the storage stability of the eye care solution and can also help alleviate eye-related issues caused by bacteria.

2.Product Features & Functions

Product function	Mild and comfortable; deeply soothing; deeply moisturizing and nourishing.
-------------------------	--

3.Product Specifications and Ingredients

Size of product	60 ml/bottle
Product Ingredients	Water, Qiju Dihuang extract, Sodium Chloride, polylysine.

4.Direction for use

Usage method	1. eye contour skin care: With your eyes open, align the eye mask with your eyes and press gently 1 – 2 times; after use, rinse the eye mask cup with clean water or wipe it with a paper towel. 2. Clean the outer surface of your eyes. Close your eyes, align the eye mask cup with your eye, and gently press it 1 – 2 times.
Matters need attention	1. This product is intended for daily eye contour skin care and care only; it cannot replace medical medications; 2. Use with caution if you have sensitive eyes; if any allergic symptoms occur, discontinue use immediately; 3. Individuals who have undergone eye surgery or are in the postoperative recovery phase should not use this product; 4. Before using this product, you should remove makeup, cleanse your face, and clean the skin around your eyes.

10: Quan Shi Ai Nasal Spray (Adult Form)

1. Product Overview

This product is intended for nasal care; it can remove debris, bacteria, and allergens from the external nasal area care, lubricates the nasal mucosa, and improves nasal ventilation and comfort.

2. Product Features & Functions

Product function	Deeply moisturizes, alleviates dryness, itching, and discomfort, and promotes a healthy microenvironment.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	60 mL/bottle (Adult formulation)
Product Ingredients	Water, sodium chloride, potassium glycyrrhizinate, forsythia extract

4. Direction for use

Usage method	1. Open the packaging, remove this product, and take off the transparent cap; 2. Lower your head and gently press the nozzle; 3. Wipe around the nose area with a tissue; 4. Wipe the nozzle and cover it with the dust cover.
Matters need attention	1. Before use, please carefully read the instructions for use; if you experience nasal discomfort, stop using the product immediately and seek medical attention if symptoms are severe; 2. This product is intended for daily nasal cleansing and moisturizing care only; it cannot be used as a substitute for medications, medical devices, or other similar products. 3. This product is a pressurized container; do not expose it to direct sunlight or high-temperature environments, and do not puncture the bottle. 4. Please keep out of reach of children; 5. To prevent contamination, the product should be used as soon as possible after opening; 6. Maintain good personal hygiene; do not cross-use these products.

11: Shibeli Yunneng Moisturizing Freeze-Dried Essence

1. Product Overview

The Xibili Yunneng Moisturizing Freeze-Dried Serum utilizes self-developed plant microcapsules (extracts from Peony Root and Ginseng Root), which undergo vacuum freeze-drying to achieve concentration and sublimation, before being sealed into a freeze-dried powder. This product provides deep hydration and moisturization, soothes and repairs the skin, leaving it supple and radiant; it contains potent skincare properties to repair the skin, maintain its moisture levels, is highly compatible with the skin for easy absorption, and is gentle and non-irritating.

2. Product Features/Specifications

Product function	This product hydrates and moisturizes, soothes and repairs the skin, leaving it supple and radiant; it boasts potent skincare properties to repair the skin and maintain its moisture; it is gentle on the skin, easily absorbed, and non-irritating.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	Lyophilized powder: 150 mg × 5 vials; Solvent solution: 6 mL × 5 vials
Product Ingredients	Ingredients comprising ≥0.1% (w/w): Formula 1: Trehalose, disodium hydrogen phosphate, sodium dihydrogen phosphate, water, PAEONIA LACTIFLORA root extract, PANAX GINSENG root extract, Poloxamer 188; Formula 2: water, methyl propylene glycol, panthenol, PEG/PPG-14/7 dimethyl ether, glyceryl triacetate, 1,2-hexanediol, glycerol, trehalose, Hydroxyacetophenone, PEG-40 hydrogenated castor oil. Other trace components:

	Formulation: Lactobacillus/Brewer's yeast fermentation filtrate, butylene glycol, xanthan gum, sodium polyacrylamide dimethyl taurate, Carbomer, glyceryl methacrylate, Tromethamine, disodium EDTA, 1,2-pentanediol, sodium hyaluronate, β -glucan, carbohydrate isomers, soluble collagen, α -muurolol, sodium citrate, Tranexamic Acid, Zingiber officinale root extract.
--	---

4. Direction for use

Direction for use	① Open the caps of both the solvent solution bottle and the lyophilized powder bottle; ② Mix the solvent solution with the lyophilized powder; ③ Next, place the transparent drip head onto the paired lyophilized powder bottle; when using, open the cap at the top of the drip head; ④ Apply an appropriate amount to your face; unused essence should be stored in the refrigerator.
--------------------------	--

12: Shibeli Huaneng Anti-Aging Freeze-Dried Serum

1. Product Overview

This product is composed of a freeze-dried powder and a solvent solution, with the respective physical states being powder and liquid. It contains self-developed plant-derived microvesicles — specifically spirulina extract, olive leaf extract, and peony root extract — which have undergone vacuum freeze-drying to achieve concentration and sublimation, and are then sealed within the freeze-dried powder formulation.

2. Product Features & Functions

Product function	This product provides deep hydration and moisturizing effects, helps alleviate skin dryness and fine lines, while maintaining skin firmness and elasticity, and simultaneously soothes and repairs the skin. With a lightweight, emollient lotion texture that is deeply nourishing yet non-greasy, this product can help diminish fine lines, refine the skin texture, and leave the skin smooth, supple, and youthful.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	Lyophilized powder: 150 mg × 5 vials; Solvent solution: 6 mL × 5 vials
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): Formula 1: Trehalose, monosodium hydrogen phosphate, water, disodium hydrogen phosphate, spirulina extract, olive (OLEA EUROPAEA) leaf extract, peony (PAEONIA LACTIFLORA) root extract, Poloxamer 188; Formula 2: water, methyl propylene glycol, filtered extract from Bifida Ferment Filtrate fermentation product, panthenol, PEG/PPG-14/7 dimethyl ether, glycerol, di-glycerol, 1,2-hexanediol, Hydroxyacetophenone, trehalose.

	Other trace components: Formula 1: xanthan gum, sodium polyacrylamide dimethyl taurate, carbomer, adenosine, glyceryl methacrylate, Tromethamine, disodium EDTA, sodium hyaluronate, palmitoyl tripeptide-5, ethylhexylglycol, octylene glycol, acetyl hexapeptide-8.
--	---

4. Direction for use

Direction for use	① Open the caps of both the solvent solution bottle and the lyophilized powder bottle; ② Mix the solvent solution with the lyophilized powder; ③ Next, place the transparent drip head onto the paired lyophilized powder bottle; when using, open the cap at the top of the drip head; ④ Apply an appropriate amount to your face; unused essence should be stored in the refrigerator.
--------------------------	--

13 : Champs Avenue DNA Deep-Action Facial Cleansing Foam

1. Product Overview

This product is suitable for various skin types, with a focus on its efficacy: gentle cleansing, deeply moisturizing, and leaving the skin hydrated and clear. Store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides moisturizing effects.
-------------------------	--------------------------------

3. Product Specifications and Ingredients

Size of product	150g
Product	Ingredients comprising $\geq 0.1\%$ (w/w): water, cocamidopropyl betaine,

Ingredients	sodium lauroyl amide, sodium cocoamidoglycinate, glycerol, olive oil, PEG-7 esters, jasmine (JASMINUM SAMBAC) floral water, benzyl alcohol, decyl glucoside, Tranexamic Acid, 1,3-propanediol, methylparaben, potassium sorbate. Other trace ingredients: (Daily use) flavoring agents, butylene glycol, camellia (CAMELLIA JAPONICA) flower extract, serine, sodium lactate, glycine, alanine, 1,2-hexanediol, Hydroxyacetophenone, arginine, valine, aspartic acid, leucine, isoleucine, glutamic acid, proline, sodium DNA, potassium hydroxide.
--------------------	---

4. Direction for use

Usage method	Take an appropriate amount of this product in your palm, gently create a foam, spread the foam over your face, massage in circular motions, then rinse thoroughly with clean water.
Matters need attention	Since skin types vary, please test on the back of your ear or inside your wrist before use. If you experience any abnormal reactions or discomfort, stop using the product immediately. Keep out of reach of children to prevent accidental ingestion.

14: Champs Avenue DNA Soothing Moisturizing Water

1. Product Overview

This product possesses moisturizing and soothing properties. Store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides moisturizing and soothing benefits.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	100g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, butylene glycol, panthenol, sugar isomers, 1,2-hexanediol, Hydroxyacetophenone, maltodextrin, Citrus reticulata fruit extract, potassium dihydrogen tartrate. Other trace ingredients: sodium hyaluronate hydrolysis product, sodium hyaluronate, disodium EDTA, Scutellaria baicalensis (SCUTELLARIA BAICALENSIS) root extract, Glycyrrhiza inflata (GLYCYRRHIZA INFLATA) root extract, Sophora flavescens (SOPHORA

	FLAVESCENS) root extract, Centella asiatica (CENTELLA ASIATICA) extract, centella asiatica glycoside, sodium DNA, sodium citrate, Tranexamic Acid.
--	--

4. Direction for use

Usage method	After cleansing your face in the morning and evening each day, take an appropriate amount of product and spray it onto your face, leaving it on for several seconds; alternatively, you may gently pat it dry with the pad of your finger.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

15: Champs Avenue DNA Soothing Moisturizing Lotion

1. Product Overview

This product possesses moisturizing and soothing properties. Store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides moisturizing and soothing benefits.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	100g
Product ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, glycerol, butter fruit extract (<i>Butyrospermum parkii</i>), squalane, cetyl alcohol, octanoic acid/pentanoic acid triglycerides, C14 - 22 alcohols, polydimethylsiloxane, glyceryl stearate, panthenol, Coix lacryma-jobi seed oil, oat (<i>Avena sativa</i>) kernel oil, jojoba esters, 1,2-hexanediol, Hydroxyacetophenone, tocopheryl acetate, glycyrrhizin, phytosterol

	isostearate, C12 - 20 alkylglucoside, sunflower (<i>Helianthus annuus</i>) seed wax, tetramethylpyrimidin carboxylic acid, PEG-100 stearate, xanthan gum, citrus (<i>Citrus reticulata</i>) fruit extract. Other trace ingredients: sodium hyaluronate, phytosterols, disodium EDTA, <i>Scutellaria baicalensis</i> (SCUTELLARIA BAICALENSIS) root extract, <i>Glycyrrhiza inflata</i> (GLYCYRRHIZA INFLATA) root extract, <i>Sophora flavescens</i> (SOPHORA FLAVESCENS) root extract, polyglyceryl-3, <i>Acacia decurrens</i> (ACACIA DECURRENS) flower wax, benzyl alcohol, sodium DNA, glucose, <i>Artemia</i> (ARTEMIA) extract, potassium sorbate, tocopherol (vitamin E).

--	---

4. Direction for use

Usage method	After cleansing your face, take an appropriate amount of product and apply it to your palms, then dot it onto your face and gently massage until fully absorbed.
Matters need attention	Since skin types vary, please test on the back of your ear or inside your wrist before use. If you experience any abnormal reactions or discomfort, stop using the product immediately.

18: Ice Season Skin Sculpting Energy Essence

1. Product Overview

This product is suitable for the general population and provides excellent moisturizing effects; store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides excellent moisturizing effects.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	5 mL × 4 vials, 3 mL × 1 vial, 5 mL × 16 vials
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, glycerol, carnitine, Glycyrrhiza uralensis extract, 1,3-propanediol, 1,2-hexanediol, hydrolyzed collagen, and hydrolyzed sodium hyaluronate. Other trace components: β -glucan, octyl hydroxymaleate, Hydroxyacetophenone, dipeptide diaminobutyl benzylamide diacetic acid.

4. Direction For Use

Usage method	After cleansing your face in the morning and evening daily, apply an appropriate amount of product to your face and gently massage until fully absorbed.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

19: Ice Season Radiant Youth Energy Essence

1. Product Overview

This product is suitable for the general population and provides excellent moisturizing effects; store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides excellent moisturizing effects.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	5 mL × 4 vials, 3 mL × 1 vial, 5 mL × 16 vials
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, Tranexamic Acid, niacinamide, 1,2-hexanediol, p-hydroxybenzyl acetate, carnosine. Other trace components: EDTA disodium salt, nonapeptide-1.

4. Direction for use

Usage method	After cleansing your face in the morning and evening daily, apply an appropriate amount of product to your face and gently massage until fully absorbed.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

20: Winter Beauty Energizing Essence

1. Product Overview

This product is suitable for the general population and provides excellent moisturizing effects; store in a cool, dry place away from direct light.

2. Product Features & Functions

product function	Provides excellent moisturizing effects.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	5 mL × 4 vials, 3 mL × 1 vial
Product Ingredients	Ingredients present in amounts of 0.1% (w/w) or more: water, glycerol, 1,3-propanediol, 1,2-hexanediol, maltodextrin, sodium hyaluronate, sodium DNA. Other trace components: EDTA di 钠 , pyridoxine hydrochloride, octylhydroxymaleate, sodium citrate, Tranexamic Acid, vitamin B12.

4. Direction for use

Usage method	After cleansing your face in the morning and evening daily, apply an appropriate amount of product to your face and gently massage until fully absorbed.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

21: Ice Season Radiance Revitalizing Energy Essence

1. Product Overview

This product is suitable for the general population and provides excellent moisturizing effects; store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides excellent moisturizing effects.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	5 mL × 4 vials, 3 mL × 1 vial, 5 mL × 16 vials
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, 1,3-propanediol, 1,2-hexanediol, sodium hyaluronate. Other trace components: octyl hydroxymaleate, octyl glycol, dipeptide diaminobutyrylbenzylamide diacetate, acetylhexapeptide-8.

4. direction for use

Usage method	After cleansing your face in the morning and evening daily, apply an appropriate amount of product to your face and gently massage until fully absorbed.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

22: Ice Season Youth-Boosting Energy Essence

1. Product Overview

This product is suitable for the general population and provides excellent moisturizing effects; store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	The moisturizing ingredients in the product formula help replenish skin moisture, promoting a youthful, healthy, plump, and smooth complexion.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	5 mL × 4 vials, 3 mL × 1 vial, 5 mL × 16 vials
Product Ingredients	Ingredients comprising ≥ 0.1% (w/w): water, glycerol, 1,3-propanediol, 1,2-hexanediol, sodium hyaluronate. Other trace ingredients: hydrolyzed collagen, octylhydroxymethylhydroxamic acid, octyl glycol, Hydroxyacetophenone, dipeptide diaminobutyryl benzylamide diacetate, acetylhexapeptide-8.

4. Direction for use

Usage method	After cleansing your face in the morning and evening daily, apply an appropriate amount of product to your face and gently massage until fully absorbed.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

23: Ice Season Ikotodine Soothing Lotion

1. Product Overview

This product combines avocado and Coix Lacryma-Jobi Seed Oil plant extracts with brine shrimp extract to deeply moisturize and nourish the skin; Ichidoin helps soothe the epidermis and calm the skin, restoring its vitality and leaving it radiant. Store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides moisturizing and soothing benefits; inhibits reactive oxygen species while offering soothing, firming, and anti-wrinkle effects.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	100g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, glycerol, butter fruit extract (<i>Butyrospermum parkii</i>), cetyl alcohol, squalane, octanoic acid/decanoic acid triglycerides, polydimethylsiloxane, glyceryl stearate, Coix lacryma-jobi seed oil, oat (<i>Avena sativa</i>) kernel oil, panthenol, jojoba esters, 1,2-hexanediol, Hydroxyacetophenone, tocopheryl acetate, phytosterol isostearate, glycyrrhizin, cetyl glucoside, sunflower (<i>Helianthus annuus</i>) seed wax,

	tetramethylpyrimidinocarboxylic acid, PEG-100 stearate, xanthan gum, Citrus reticulata fruit extract. Other trace ingredients: sodium hyaluronate, disodium EDTA, Scutellaria baicalensis root extract, Glycyrrhiza inflata root extract, Sophora flavescens root extract, polyglyceryl-3, Acacia decurrens flower wax, glucose, benzyl alcohol, panacetin, Artemia (brine shrimp) extract, potassium sorbate, tocopherol (vitamin E).
--	--

4. Direction for use

Usage method	After cleansing your face, take an appropriate amount of product and apply it to your palms, then dot it onto your face and gently massage until fully absorbed.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

24: Binghui Clear Moisturizing Primer

1. Product Overview

This product is suitable for the general population and provides excellent moisturizing effects; store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides excellent moisturizing effects.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	30g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, polydimethylsiloxane, glycerol, isodesane, butanediol, CI 77891, cyclic pentamethyldimethylsiloxane, trimethylsilyl silicate, polymethyldisiloxane, trimethylsilylbenzyl polydimethylsiloxane, cross-linked polymer of polydimethylsiloxane/vinyltrimethylsilyl silicate, octylpolydimethylsiloxane ethoxylated glucoside, magnesium sulfate, jasmine (JASMINUM SAMBAC) floral water, 1,2-hexanediol,

	Hydroxyacetophenone, silica, cetyl PEG/PPG-10/1 polydimethylsiloxane, cross-linked polymer of polydimethylsiloxane / vinylpolydimethylsiloxane, CI 77492, lithium montmorillonite with di-stearoyl dimethylammonium, aluminum hydroxide, propylene carbonate. Other trace ingredients: CI 77491, triethoxyoctylsilane, disodium EDTA, CI 77499.
--	---

4. Direction for use

Usage method	After applying your basic skincare routine, take an appropriate amount of product and apply it evenly to your forehead, nose tip, cheeks, and chin; then, use the pad of your finger to gently pat the product onto the skin along its natural texture until it is well-mixed and evenly distributed.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

25: Winter Care Facial Soothing Water

1. Product Overview

This product contains citrus fruit extract, combined with various moisturizing ingredients such as sodium hyaluronate and hydrolyzed sodium hyaluronate, to leave the skin hydrated and smooth. Suitable for general use; store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Formulated with citrus fruit extract, combined with multiple moisturizing ingredients such as sodium hyaluronate and hydrolyzed sodium hyaluronate, to leave the skin hydrated and smooth.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	100ml
Product	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, butylene

Ingredients	glycol, panthenol, sugar isomers, 1,2-hexanediol, Hydroxyacetophenone, maltodextrin, and citrus (Citrus reticulata) fruit extract. Other trace ingredients: potassium glycyrrhizinate, hydrolyzed sodium hyaluronate, sodium hyaluronate, disodium EDTA, Scutellaria baicalensis (SCUTELLARIA BAICALENSIS) root extract, Glycyrrhiza inflata (GLYCYRRHIZA INFLATA) root extract, Sophora flavescens (SOPHORA FLAVESCENS) root extract, Centella asiatica (CENTELLA ASIATICA) extract, hesperidin, panaxin, sodium citrate, Tranexamic Acid.
--------------------	--

4. Direction for use

Usage method	After cleansing your face in the morning and evening each day, take an appropriate amount of product and spray it onto your skin; leave it on for several seconds, or gently pat it dry with the pads of your fingers.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

26 : BINGJI Ice Season Camellia Amino Acid Facial Cleansing Foam

1. Product Overview

This product extracts camellia flower extract, which provides cleansing and moisturizing benefits; store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides cleansing and moisturizing benefits.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	150g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, cocamidopropyl betaine, sodium lauroyl amide, sodium cocoamidoglycinate, olive oil, PEG-7

	esters, jasmine (JASMINUM SAMBAC) floral water, benzyl alcohol, decyl glucoside, glycerol, Tranexamic Acid, 1,3-propanediol, methylparaben, and potassium sorbate. Other trace ingredients: (Daily use) flavoring agents, butylene glycol, camellia (CAMELLIA JAPONICA) flower extract, serine, sodium lactate, glycine, alanine, 1,2-hexanediol, Hydroxyacetophenone, arginine, valine, aspartic acid, leucine, isoleucine, glutamic acid, proline, potassium hydroxide.
--	---

4. Direction for use

Usage method	Take an appropriate amount of this product in your palm, gently create a foam, spread the foam over your face, massage in circular motions, then rinse thoroughly with clean water.
Matters need attention	Since skin types vary, please test on the back of your ear or inside your wrist before use. If you experience any abnormal reactions or discomfort, stop using the product immediately.

27 : BINGJI Ice Season Camellia Four-Pass Sodium Hyaluronate Moisturizing Water

1. Product Overview

This product contains camellia flower extract with moisturizing properties; store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	It possesses moisturizing properties, meaning it increases the skin's moisture content and reduces its water loss.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	300ml
Product	Ingredients present in amounts of 0.1% (w/w) or more: water,

Ingredients	glycerol, 1,2-hexanediol, Hydroxyacetophenone, panthenol. Other trace ingredients: potassium glycyrrhizinate, 1,3-propanediol, 1,2-pentanediol, butanediol, acetylated sodium hyaluronate, sodium hyaluronate, camellia (CAMELLIA JAPONICA) flower extract, sodium hyaluronate cross-linked polymer, PEG-40 hydrogenated castor oil, hydrolyzed sodium hyaluronate, ethylhexylglycol, tetrahydroimidazole carboxylic acid, acetyl tetrapeptide-9, hexapeptide-9, palmitoyl tripeptide-5, palmitoyl pentapeptide-4, palmitoyl tetrapeptide-7, palmitoyl hexapeptide-12.
--------------------	---

4. Direction for use

Usage method	After cleansing your face in the morning and evening each day, take an appropriate amount of product and spray it onto your skin; leave it on for several seconds, or gently pat it dry with the pads of your fingers.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

28: Ice Season Amino Fresh-Scented Shampoo

1. Product Overview

This product is suitable for the general population and offers benefits such as cleansing and inhibiting skin aging; store in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	It is cleansing, helps inhibit skin aging, and revitalizes scalp and hair.
------------------	--

3. Product Specifications and Ingredients

Size of product	300ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water; sodium lauryl sulfate; cocamidopropyl betaine; sodium cocoamidoacetate; sodium lauroyl amide; PEG-120 methylglucoside dioleate; lauryle glucoside; glycerol; lauroyl alanine; benzoxyl ethyl alcohol; arginine; Hydroxyacetophenone; Tranexamic Acid; betaine; polyquaternium-22; (daily-use) flavoring; dipropylene glycol; sodium chloride; panthenol; acetyl glucosamine; fermentation extract from Pseudomonas alternans. Other trace ingredients: Polyquaternium-53, Polysorbate 20, Disodium EDTA, Benzoic acid, Vitex trifolia fruit extract, Gentiana scabra extract, Polygonum multiflorum root extract, Sodium salicylate, Benzyl

	alcohol, Tocopherol (Vitamin E), Propyl gallate.
--	--

4. Direction for use

Usage method	After wetting your hair, apply an appropriate amount of this product evenly to your hair, gently massage to create foam, massage for 3 - 5 minutes, then rinse thoroughly with clean water.
Matters need attention	If the product accidentally enters your eyes, rinse immediately with clean water. If you experience any unusual symptoms or discomfort, stop using it immediately. Keep out of reach of children to prevent accidental ingestion.

29: Badachu β -Glucan Radiance & Soothing Face Cream

1. Product Overview

This product possesses moisturizing and soothing properties; store it in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides moisturizing and soothing benefits.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	50g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, cetyl alcohol, glycerol, butter fruit extract (<i>Butyrospermum parkii</i>), octanoic acid/guanoic acid triglycerides, squalane, polydimethylsiloxane, glyceryl stearate, panthenol, Coix lacryma-jobi seed oil, phytosterol isostearate, jojoba esters, 1,2-hexanediol, Hydroxyacetophenone, tocopheryl acetate, glycyrrhizin glucoside, cetyl glucoside, sunflower seed wax (<i>Helianthus annuus</i>), PEG-100 stearate, maltodextrin, tetramethylpyrimidine carboxylate, xanthan gum, Citrus reticulata fruit extract, Centella asiatica extract, sodium hyaluronate, β -glucan, potassium dihydrogen citrate.

	Other trace ingredients: phytosterols, ethylenediaminetetraacetic acid disodium salt, Scutellaria baicalensis root extract, hesperidin, Glycyrrhiza inflata root extract, Sophora flavescens root extract, polyglyceryl-3, Acacia decurrens flower wax, Asiaticoside, tocopherol (vitamin E).
--	---

4. Direction for use

Usage method	Every morning after cleansing your face, apply an appropriate amount evenly to your face and gently pat until fully absorbed. When used in conjunction with other products in this series, you can achieve even better results.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

30: Badachu β -Glucan Facial Soothing Mask

1. Product Overview

This product possesses moisturizing and soothing properties; store it in a cool, dry place away from direct light.

2. Product Features & Functions

product function	Provides moisturizing and soothing benefits.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	36 g × 5 tablets
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, 1,3-propanediol, butanediol, 1,2-hexanediol, hydroxyethyl cellulose, sodium polyglutamate, sodium hyaluronate, β -glucan. Other trace ingredients: caprylhydroxymaleic acid, purslane

	(*Portulaca oleracea*) extract, PEG-40 hydrogenated castor oil, 1,2-pentanediol, disodium hydrogen phosphate, polysorbate 60, tetramethylpyrimidinocarboxylic acid, sodium dihydrogen phosphate, acetylleptide-9, hexapeptide-9, palmitoyltri peptide-5, palmitoyltetra peptide-7, palmitoylpentapeptide-4, palmitoylhexapeptide-12.
--	--

4. Direction for use

Usage method	1. After cleansing your face, unfold the facial mask. 2. Apply to the face to smooth out any imperfections; then gently remove the backing layer. 3. Apply for 15 – 20 minutes. 4. After removing the mask, gently massage using your fingertips until the essence is fully absorbed.
Matters need attention	Since skin types vary, please test on the back of your ear or inside your wrist before use. If you experience any abnormal reactions or discomfort, stop using the product immediately.

31: Badachu Hyaluronic Acid Moisturizing & Penetrating Mask

1. Product Overview

This product has moisturizing properties; store it in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides moisturizing effects by increasing the skin's moisture content and reducing its water loss.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, butanediol, 1,2-hexanediol, Hydroxyacetophenone, xanthan gum, Rosa damascena flower extract, potassium dihydrogen tartrate, sodium hyaluronate, Sclerotium rolfii gum. Other trace components: EDTA disodium, benzyl alcohol, Bio-Gel-1, palmitoyl tripeptide-5, sodium benzoate,

	bis(hydroxymethyl)imidazolylurea, potassium sorbate.
--	--

4. direction for use

Usage method	1. After cleansing your face, unfold the facial mask. 2. Apply to the face to smooth out imperfections; then gently peel off the pearlescent film. 3. Apply for 15 – 20 minutes. 4. After removing the mask, gently massage using your fingertips until the essence is fully absorbed.
Matters need attention	Since skin types vary, please test on the back of your ear or inside your wrist before use. If you experience any abnormal reactions or discomfort, stop using the product immediately.

32: Fubaijia Astaxanthin Peptide Moisturizing Mask

1. Product Overview

This product is rich in hydrating and moisturizing essences, providing your skin with a hydrated and silky touch while replenishing its moisture levels; it effectively hydrates and nourishes the skin. Store this product in a cool, dry place away from direct light.

2. Product Features & Functions

Product function	Provides hydration and moisturizing benefits for the skin.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	26 g × 5 tablets
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, propylene glycol, 1,2-hexanediol, Hydroxyacetophenone, trehalose, PEG/PPG-17/6 copolymer, potassium dihydrogen tartrate, Carbomer, triethanolamine, niacinamide, Sclerotium rolfsii gum, allantoin.

	Other trace ingredients: sodium hyaluronate, disodium EDTA, astaxanthin, cocoyl alcohol polyether-7, PPG-1-PEG-9 lauryl diglycol ether, Tranexamic Acid, PEG-40 hydrogenated castor oil, glyceryl acrylate/acrylic acid copolymer, PVM/MA copolymer, butylene glycol, 1,2-pentanediol, tetrahydromethylpyrimidine carboxylic acid, acetyllethylpeptide-9, hexapeptide-9, palmitoyl tripeptide-5, palmitoyl tetrapeptide-7, palmitoyl pentapeptide-4, palmitoyl hexapeptide-12.
--	--

4. Direction for use

Usage method	After cleansing your face, unfold the facial mask and apply it to your face; adjust it for a snug fit. Gently peel off the pearlescent film, leave it on for 20 – 40 minutes, then, after removing the mask, gently press and massage with your fingertips until the essence has been fully absorbed.
Matters need attention	Since skin types vary, please test on the back of your ear or inside your wrist before use. If you experience any abnormal reactions or discomfort, stop using the product immediately.

33: 신해주 tone-up cream

1. Product Overview

This product is ivory white in color and is suitable for the general population; store in a cool, dry place away from light.

2. Product Features & Functions

Product function	/
-------------------------	---

3. Product Specifications and Ingredients

Size of product	30g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, CI 77891, glycerol, octanoic acid/pentanoic acid triglycerides, cyclic pentadecyl dimethylsiloxane, dioctyl carbonate, hydrogenated polyisobutylene, polyglyceryl-2 dihydroxy stearate, butyrospermum parkii fruit oil, isodesane, polydimethylsiloxane, polyglyceryl-3 diisostearate, magnesium stearate, methyl methacrylate, 1,2-pentanediol, magnesium

	sulfate, 4-tert-butylcyclohexanol, benzyl alcohol, silica, lithium montmorillonite with di-stearoyl dimethylammonium salt, tocopheryl acetate, methylparaben, aluminum hydroxide, propylene glycol carbonate. Other trace ingredients: Propylparaben, CI 77492, Butylene glycol, Triethoxysilane, Ethylhexylglycol, Flavoring agent, Scutellaria baicalensis root extract, Sophora flavescens root extract, Glycyrrhiza inflata root extract.
--	---

4. Direction for use

Usage method	After applying your basic skincare routine, take an appropriate amount of product and apply it evenly to your forehead, nose tip, cheeks, and chin; then, use the pad of your finger to gently pat the product onto the skin along its natural texture until it is well-mixed and evenly distributed.
Matters need attention	Before use, please test for sensitivity behind your ear or on the inside of your wrist. If you experience any abnormal reactions or discomfort, please discontinue use.

34 : Jingwanhong Nourishing Hand Cream – Nightblooming Jasmine Variant

1. Product Overview

This product meticulously extracts Tuberose essence, blends it with oat kernel oil, and incorporates botanical ingredients such as avocado butter to nourish and moisturize the hands, protecting their soft and delicate skin while delivering a silky smooth feel.

2. Product Features & Functions

Product function	Provides moisturizing and nourishing benefits.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	50g、30g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, butyrospermum parkii fruit oil, mineral oil, glyceryl stearate, isopropyl myristate, polydimethylsiloxane, cetyl alcohol, mineral oil, ceteth-25,

	Hydroxyacetophenone, ceteth-6, 1,2-hexanediol, oat (AVENA SATIVA) kernel oil, polysorbate 60, sorbitan stearate, tocopheryl acetate, stearyl alcohol, allantoin, carbomer, triethanolamine, sodium hyaluronate. Other trace ingredients: (Daily-use) flavoring agents, methylpropylene glycol, ethylenediamine tetraacetic acid disodium salt, butyl glycol, POLYANTHES TUBEROSA extract, LONICERA JAPONICA flower extract, LITHOSPERMUM ERYTHORRHIZON extract, and benzyl alcohol.
--	---

4. direction for use

Usage method	Apply an appropriate amount of this product to your hands, massage gently until absorbed; if needed, you may repeat this application multiple times.
Matters need attention	Please keep out of reach of children to prevent accidental ingestion. If you experience any discomfort, please stop use immediately.

35 : Zhaogui Skin-Enriching Exfoliating Scrub (Rose Fragrance)

1. Product Overview

This product primarily utilizes fresh aloe vera leaf juice to deeply hydrate the skin; combined with niacinamide and avocado oil, it delivers a silky, moisturizing texture; the inclusion of finely ground walnut shell powder provides a gentle exfoliating effect to remove surface dead skin cells; and rose essential oil adds a subtle, elegant floral fragrance, allowing you to enjoy a refreshing and pleasant mood.

2. Product Features & Functions

Product function	Fragrance-infused moisturizing formula – exfoliates, smooths roughness, and leaves skin soft and silky.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	260g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): Aloe Barbadensis Leaf Juice, Rosa Rugosa Flower Extract, Hydrated Silica, Glycerin, Cetyl Alcohol, Octanoic Acid/Guanoic Acid Triglyceride, Polydimethylsiloxane, PEG-100 Stearate, Glycerol Stearate, Cetyl Palmitate, Butyrospermum Parkii Fruit Butter, Dipropylene Glycol, Juglans Regia Shell Powder, Polyacrylate-13, Acrylate (Esters) / Isooctyl Acrylate Crosslinked Polymer, Hydroxyacetophenone, Allantoin, Tocopherol Acetate, Niacinamide, Polyisobutylene, Rosa Rugosa Flower Oil, 1,2-Hexanediol.

	Other trace components: EDTA disodium salt, sorbitan monooleate, sodium hydroxide, isopropyl alcohol, polysorbate 20, sorbitan isostearate, water.
--	--

4. Direction for use

Usage method	After your skin has been moisturized, take an appropriate amount of this product and gently massage it onto your skin in circular motions; at joints such as the elbows and knees, you may extend the massage duration as needed. Then, rinse thoroughly with warm water. This product is particularly effective when used during bathing.
Matters need attention	1. When using the Zhaogui product series for the first time, please conduct a patch test on a small area of skin; if you experience any discomfort, please discontinue use or consult our company. 2. Products should be stored away from direct sunlight; 3. Please keep out of reach of infants and young children; 4. Not for use on skin with wounds or redness/swelling; 5. This product is designed solely for physical exfoliation.

36: Zhao Gui Rose Radiant Sheet Mask

1. Product Overview

This product is crafted from rose water* meticulously extracted from fresh roses, which helps replenish skin moisture, hydrates the skin, and leaves it feeling deeply moisturized. Its rich rose fragrance invites you to unwind and enjoy a princess-like pampering experience.

2. Product Features & Functions

Product function	Hydrates and moisturizes the skin, replenishes its moisture content, and helps maintain a hydrated, radiant complexion.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	10 tablets × 30 mg/tablet
Product Ingredients	Ingredients comprising ≥0.1% (w/w): water, rose (ROSA RUGOSA) floral water, betaine, glycerol, propylene glycol, 1,2-pentanediol, Hydroxyacetophenone, 1,2-hexanediol, oat (AVENA SATIVA) β -glucan, Carbomer, butylene glycol. Other trace ingredients: Rosa rugosa flower oil, Avena sativa extract, ethylenediaminetetraacetic acid disodium salt, sodium hydroxide,

	sodium hyaluronate, Portulaca oleracea extract.
--	---

4. Direction for use

Usage method	After cleansing your face, remove the facial mask and apply it to your face; once it has fully adhered, peel off the outer protective liner. After approximately 10 minutes, remove the mask, then apply a lotion or facial cream. (It is recommended to use this product 2 – 3 times per week.)
Matters need attention	1. When using the Zhaogui product series for the first time, please conduct a patch test on a small area of skin; if you experience any discomfort, please discontinue use or consult our company. 2. Products should be stored away from direct sunlight. 3. Please keep out of reach of infants and young children. 4. When using this product, please avoid contact with the eye area; if it accidentally enters the eyes, rinse immediately with plenty of clean water. 5. It is recommended to store the facial mask on its side to allow the serum to fully penetrate the mask fabric; avoid placing it upright whenever possible, as this may lead to uneven distribution of the serum and compromise your skincare experience.

37: Zhaogui Aloe Vera Sheet Mask

1. Product Overview

This product is formulated primarily with fresh *Aloe barbadensis* leaves extract as its main ingredient, complemented by carefully selected moisturizing agents such as sodium hyaluronate to replenish skin moisture and provide deep hydration. Paired with a gentle film-like texture, it enhances absorption, leaving the skin feeling refreshed and deeply hydrated.

2. Product Features & Functions

Product function	Hydrating and moisturizing; lightweight and refreshing; soft fabric texture; fits comfortably.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	10 tablets × 30 mg/tablet
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): Aloe Barbadensis Leaf Extract, Glycerin, Betaine, Water, Propylene Glycol, 1,2-Pentanediol, Isopropyl Alcohol, Hydroxyethyl Urea, Carbomer, Allantoin, Panthenol, Sodium Hydroxide, Benzyl Methylvinyl Ether, Chlorphenesyl Ethyl Ester. Other trace ingredients: potassium glycyrrhizinate, sodium hyaluronate, Dendrobium nobile stem extract, Aloe barbadensis leaf extract, Sophora flavescens root extract, Lyceum barbarum fruit extract, disodium

	EDTA, sodium hydroxide, benzyl alcohol, Echinacea purpurea extract, xanthan gum, trehalose, ethylhexylglycol.
--	---

4. Direction for use

Usage method	After cleansing your face, remove the facial mask and apply it to your face; once it has fully adhered, peel off the outer protective liner. After approximately 10 minutes, remove the mask, then apply a lotion or facial cream. (It is recommended to use this product 2 – 3 times per week.)
Matters need attention	1. When using the Zhaogui product series for the first time, please conduct a patch test on a small area of skin; if you experience any discomfort, please discontinue use or consult our company. 2. Products should be stored away from direct sunlight. 3. Please keep out of reach of infants and young children. 4. When using this product, please avoid contact with the eye area; if it accidentally enters the eyes, rinse immediately with plenty of clean water. 5. Tip: After receiving your facial mask, please place it flat so that the liquid inside can fully soak the mask sheet; placing it upright may cause the upper part of the mask sheet to dry out.

38: Zhaogui Children's Moisturizing Cream

1. Product Overview

This product contains aloe vera, which provides moisturizing and soothing benefits; formulated with ingredients such as aloe vera and purple root, it offers a soft, smooth texture that deeply hydrates and gently nourishes your baby's delicate skin.

2. Product Features & Functions

Product function	Gentle moisturizing, soothes dryness, locks in moisture, and nourishes your baby's delicate skin.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	50g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water; Aloe barbadensis leaf juice; hydrogenated polyisobutylene; octanoic acid/octadecanoic acid triglycerides; glycerol; cetyl alcohol; PEG-100 stearate; glyceryl stearate; polydimethylsiloxane; dipropylglycol; tocopheryl acetate; cetyl glucoside; polyacrylate-13; Hydroxyacetophenone; polyisobutylene; 1,2-hexanediol.

	Other trace ingredients: Lithospermum erythrorhizon root extract, ethylenediaminetetraacetic acid disodium salt, sorbitol, isopropyl alcohol, polysorbate 20, sorbitan isostearate.
--	---

4. Direction for use

Usage method	After cleansing, apply evenly to your facial skin until fully absorbed.
Matters need attention	1. When using the Zhaogui product series for the first time, please conduct a patch test on a small area of skin; if you experience any discomfort, please discontinue use or consult our company. 2. Products should be stored away from direct sunlight and in a location inaccessible to infants and young children. 3. Suitable for infants and young children aged 0 months and older; use under adult supervision. 4. This product should not be applied to the eye area; if it accidentally enters the eyes, rinse immediately with plenty of clean water. 5. This product is also suitable for individuals aged 13 and older, as well as adults with specific skin concerns.

39: Zhaogui Aloe Vera Special Moisturizing Cream

1. Product Overview

This product contains aloe vera and other active ingredients that form a moisturizing film on the skin's surface, replenishing both moisture and oil to keep the skin supple, soft, hydrated, and plump.

2. Product Features & Functions

Product function	Hydrates and moisturizes the skin, deeply nourishes it, and provides gentle, smooth, and supple care. Suitable for dry skin or for use in dry environments or during dry seasons.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	50g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water; Aloe barbadensis leaf juice; glycerol; Butyrospermum parkii fruit oil; tridecyl phthalate; mineral oil; isooctane; di-glycerol polyacyl adipate-2; betaine; peanut alcohol; hydrogenated polyisobutylene; cetyl palmitate; stearyl alcohol; octanoic acid/octanoic acid triglyceride; cetyl stearyl polyether-25; peanut alcohol glucoside; dipropylene glycol; tocopheryl acetate; Hydroxyacetophenone; allantoin; hydroxyethyl acrylate/acrylamide dimethyl taurate copolymer; butanediol; 1,2-hexanediol. Other trace ingredients: sodium hyaluronate, purslane (*Portulaca oleracea*) extract, disodium EDTA, (fragrance for daily use), glycolic acid, polyisobutylene, isopropyl alcohol, PEG-7 trimethylopropanolamide, sorbitan isostearate, butylhydroxytoluene, tocopherol (vitamin E).

4. Direction for use

Usage method	Apply an appropriate amount evenly to a clean face, then gently massage until fully absorbed.
Matters need attention	1. When using the Zhaogui product series for the first time, please conduct a patch test on a small area of skin; if you experience any discomfort, please discontinue use or consult our company. 2. Products should be stored away from direct sunlight. 3. Please keep out of reach of infants and young children. 4. When using this product, avoid contact with the eye area; if it accidentally enters the eyes, rinse immediately with plenty of clean water.

40: Zhaogui Hydrating Moisturizing Cream

1. Product Overview

This product provides deep hydration and moisturizing benefits, suitable for medium-dry skin. With its hydrating cream texture, it is easily absorbed and forms a moist oil barrier on the skin surface, leaving the skin deeply hydrated. It locks in moisture to deliver a dewy, smooth complexion.

2. Product Features & Functions

Product function	moisturize
-------------------------	------------

3. Product Specifications and Ingredients

Size of product	50g and 10g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, Aloe barbadensis leaf juice, polydimethylsiloxane, isononyl isononyl ester, hydrogenated polyisobutylene, octanoic acid/decanoic acid triglycerides, cetyl palmitate, sorbitan oleate, butyrospermum parkii fruit oil, peanut alcohol, dipropylene glycol, tocopherol acetate, acrylamide dimethyl taurate/VP copolymer, 3-allylascorbic acid, Hydroxyacetophenone, stearyl alcohol, sodium polyacrylate, peanut alcohol glucoside, 1,2-hexanediol. Other trace ingredients: Dendrobium officinale (DENDROBIUM

	OFFICINALE) stem extract; Ningxia barbary wolfberry (LYCIUM BARBARUM) fruit extract; Echinacea purpurea (ECHINACEA PURPUREA) extract; Aloe barbadensis (ALOE BARBADENSIS) leaf extract; Sophora flavescens (SOPHORA FLAVESCENS) root extract; sodium hyaluronate; allantoin; potassium dihydrogen citrate; glycol; (daily-use) flavoring; glyceryl polyacrylate; isopropyl alcohol; trehalose; benzyl alcohol; methylparaben; propylparaben; ethylhexylglycol; xanthan gum; disodium EDTA.
--	--

4. Direction for use

Usage method	Apply an appropriate amount evenly to your face, gently massage until absorbed.
matters need attention	1. When using the Zhaogui product series for the first time, please conduct a patch test on a small area of skin; if you experience any discomfort, please discontinue use or consult our company. 2. Products should be stored away from direct sunlight.

41: Zhaogui Yingrun Hand Cream (Rose Fragrance)

1. Product Overview

This hand cream combines rose water with aloe vera leaf juice for deep hydration; it features a carefully blended formula of rose essential oil and hexapeptide, infused with nourishing shea butter from the Shea tree to address dryness, roughness, cracking, and fine lines caused by dehydration. It replenishes both moisture and oil in the skin, leaving it smooth, supple, and elastic — while simultaneously allowing you to experience the rich fragrance of roses and create a moment of pure delight. Suitable for use on both hands and the entire body.

2. Product Features & Functions

Product function	Provides anti-wrinkle, firming, moisturizing, brightening, and antioxidant benefits.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	60g/300g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water; rose (ROSA RUGOSA) floral water; aloe vera (ALOE BARBADENSIS) leaf juice; glycerol; sorbitan/triaethanolamine triglycerides; cetyl alcohol; polydimethylsiloxane; peanut alcohol; pentaerythritol diesters;

	di-glyceride adipate-2; dipropylene glycol; stearyl alcohol; PEG-100 stearate; glyceryl stearate; butyrospermum parkii (BUTYROSPERMUM PARKII) fruit oil; acrylamide dimethyl taurine ammonium/VP copolymer; peanut alcohol glucoside; Hydroxyacetophenone; tocopheryl acetate; 1,2-hexanediol; rose (ROSA RUGOSA) flower oil. Other trace components: Acetylhexapeptide-8, glycolglucoside, ethylenediaminetetraacetic acid disodium salt, xanthan gum, sorbitol, isopropyl alcohol, butanediol, betaine, and 1,3-propanediol.
--	--

4. Direction for use

Usage method	After hand cleansing, apply evenly to both hands until absorbed; it can be used several times a day. Alternatively, take an appropriate amount and apply it to clean skin on the body, then massage until absorbed.
Matters need attention	1. when using the zhaogui product series for the first time, please conduct a patch test on a small area of skin; if you experience any discomfort, please discontinue use or consult our company. 2. products should be stored away from direct sunlight. 3. please keep out of reach of infants and young children.

42: Zhaogui Rose Lip Balm

1. Product Overview

This product contains rose oil, squalane oil, as well as ingredients such as Vitamin E* and beeswax, providing deep hydration and nourishment for the lips; it helps prevent lip dryness and chapped lips caused by dehydration or lack of natural oils, leaving the lips moisturized, supple, radiant, and plump.

2. Product Features & Functions

Product function	Moisturizing and deeply nourishing; leaves skin radiant and plump.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	10g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): mineral oil, di-glycerol polyacyl sebacate-2, tocopheryl acetate, squalane, beeswax, di-palmitoyl hydroxyproline, rose (ROSA RUGOSA) oil. Other trace ingredients: stearyl glycyrrhizate, butylhydroxytoluene,

	tocopherol (vitamin E).
--	-------------------------

4. Direction for use

Usage method	Unscrew the cap, squeeze out an appropriate amount of cream, and apply it evenly to the lips.
Matters need attention	1. When using the Zhaogui product series for the first time, please conduct a patch test on a small area of skin; if you experience any discomfort, please discontinue use or consult our company. 2. Products should be stored away from direct sunlight. 3. Please keep out of reach of infants and young children.

43: Zhaogui Rose Fragrant & Radiant Essence Oil

1. Product Overview

This product is crafted from selected natural roses, refined into rose essential oil, and infused with squalane and other beneficial ingredients, ultimately resulting in a rose-scented luminous essence oil. It boasts a delightful fragrance and a clear, pure texture; its refreshing and lightweight feel allows it to deeply penetrate the skin, providing intense moisturizing and brightening effects.

2. Product Features & Functions

Product function	This product possesses moisturizing properties; rose essential oil is rich in aromatic compounds, offering a rich fragrance and excellent penetration capabilities, which can stimulate epidermal cell metabolism and the human nervous system, thereby providing effective moisturizing and soothing benefits.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	30 mL, 5 mL, and 3 mL (6 vials)
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): squalane, rose (ROSA RUGOSA) oil, stearyl alcohol glycyrrhizate, dimethylmethoxypropylrolidinone

4. Direction for use

Usage method	Take an appropriate amount of essence oil in your palm, apply it evenly to your face and neck, and gently massage until fully absorbed.
Matters need attention	1. When using the Zhaogui product series for the first time, please conduct a patch test on a small area of skin; if you experience any discomfort, please discontinue use or consult our company. 2. Store the product in a dark place, away from direct sunlight.

44: Zhaogui Shu Rou Facial Cleanser

1. Product Overview

This product features a soft emulsion texture with a comfortable and delicate feel; it effectively cleanses impurities from the skin's surface without leaving any tightness after use.

2. Product Features & Functions

Product function	Removes impurities from the skin's surface; leaves the skin clean without a tight or irritated feeling.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	100g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water; Aloe barbadensis leaf extract; mineral oil; octyl glucoside; glycerol; glyceryl stearate; cetyl

	alcohol; butyrospermum parkii fruit oil; propylene glycol; benzyl alcohol; xanthan gum; ethylenediaminetetraacetic acid disodium salt; (personal care) flavoring agent. Other trace ingredients: Artemisia princeps leaf extract, Portulaca oleracea extract, ethylhexylglycol, butanediol, methylparaben, and chlorphenesyl ether.
--	---

4. Direction for use

Usage method	Take an appropriate amount, gently massage the facial skin for two minutes, then rinse thoroughly with clean water.
Matters need attention	1. When using the Zhaogui product series for the first time, please conduct a patch test on a small area of skin; if you experience any discomfort, please discontinue use or consult our company. 2. Products should be stored away from direct sunlight. 3. When using this product, please avoid contact with the eye area; if it accidentally enters the eyes, rinse immediately with plenty of clean water.

45: Zhaogui Aloe Vera Moisturizing Cleansing Face Wash

1. Product Overview

This product contains aloe vera extract, which deeply moisturizes, produces a rich lather, cleanses impurities from the skin's surface, and leaves the skin clean, hydrated, and non-irritating.

2. Product Features & Functions

Product function	Cleanse and moisturize your skin.
-------------------------	-----------------------------------

3. Product Specifications and Ingredients

Size of product	100g and 15g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water; Aloe barbadensis leaf extract; potassium lauryl polyether phosphate; cocamidopropyl betaine; glycerol; decyl glucoside; acrylic acid (ester) copolymer; sodium cocoamido diphenyl ethanedioate; sodium lauryl polyethoxy sulfate; sodium chloride; ethylene glycol distearate; propylene glycol; benzyl alcohol; (personal care) fragrance. Other trace components: Dendrobium nobile stem extract, Aloe barbadensis leaf extract, Sophora flavescens root extract, Ziziphus jujuba fruit extract, Artemisia capillaris flower extract, Scutellaria baicalensis root extract, Morus alba root extract, Ningxia barberry wolfberry fruit extract, Echinacea purpurea extract, Glycyrrhiza glabra root extract, Butylene, disodium EDTA, ethylhexylglycol, hexylene

	glycol, cocoamidopropyl betaine (MEA), lauryl alcohol polyether-10, methylparaben, chlorphenesyl ether, benzoic acid, trehalose, methyl isothiazolinone, xanthan gum.
--	---

4. Direction for use

Usage method	Take an appropriate amount of product, add water to your palm, and knead until a foam forms; apply evenly across your entire face, massage gently in circular motions, then rinse thoroughly with clean water.
Matters need attention	1. When using the Zhaogui product series for the first time, please conduct a patch test on a small area of skin; if you experience any discomfort, please discontinue use or consult our company. 2. 48: EXTRACELLULA Skin Repair Freeze-Dried Powder + Skin Repair Dissolving Solution

1. Product Overview

This product is formulated from Anji Repair Freeze-Dried Powder and Anji Repair Solvent Solution, and is suitable for all skin types. It helps repair the skin barrier, provides long-term repair and stabilization, reduces skin damage, and revitalizes the skin's healthy state.

2. Product Features & Functions

Product function	Restores the skin barrier; long-term use helps repair and stabilize the skin, reduces skin damage, and revitalizes the skin's healthy state. Suitable for all skin types.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	(50 mg Anmu Repair Freeze-dried powder + 3 mL Anmu Repair Solvent solution) × 5 packs
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, propylene glycol, glycerol, propolis extract. Other trace ingredients: methylparaben, perilla (PERILLA FRUTESCENS) extract, 1,2-hexanediol, ethylhexylglycol, octylenohydroxamic acid, disodium EDTA, polyglyceryl-6 laurate, PEG-10 sorbitan stearate.

4. Direction for use

Usage	1. Remove one vial each of the lyophilized powder and the solvent
--------------	---

method	solution; gently lift the outer cap in the direction indicated by the arrow and slowly pull upward to remove the aluminum cap. 2. Open the rubber stopper, pour the solvent solution into the freeze-dried powder, shake gently to mix thoroughly, and allow it to dissolve completely. 3. Fit the soft rubber tip onto the lyophilized powder vial; to use, simply squeeze the rubber tip. 4. Take an appropriate amount of the mixed solution, gently pat it onto your face, and massage until it is fully absorbed.
Matters need attention	1. Before using skincare products, it is recommended that you first apply a small amount to the skin behind your ear for a trial; if you experience any discomfort, it is advisable to temporarily discontinue use. 2. Store this product in a cool, dry place, away from direct sunlight. 3. Keep out of reach of children.

49: EXTRACELLULA Umbilical Cord Skin-Revitalizing Freeze-dried Powder + Moisturizing Umbilical Cord Muscle Solution

1. Product Overview

This product is composed of umbilical cord Skin-Revitalizing freeze-dried powder and a hydrating muscle-rejuvenating solution; it is suitable for all skin types. It helps improve skin roughness and, with long-term use, revitalizes the skin's vitality.

2. Product Features & Functions

Product function	Smooths roughness; long-term use enhances skin vitality. Suitable for all skin types.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	(Navel cord Skin-Revitalizing freeze-dried powder 50 mg + Moisturizing Skin-Revitalizing Solvent Solution 3 mL) × 5 vials
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): Formula 1: water, propylene glycol; Formula 2: Mannitol, hydrolyzed serum protein, (animal) umbilical cord extract. Other trace components: 1,2-hexanediol, octyl hydroxymaleate, sodium hyaluronate, ethylhexyl glycol.

4. Direction for use

Usage method	1. Remove one vial each of the lyophilized powder and the solvent solution; gently lift the outer cap in the direction indicated by the arrow and slowly pull upward to remove the aluminum cap. 2. Open the rubber stopper, pour the solvent solution into the freeze-dried powder, shake gently to mix thoroughly until fully dissolved. 3. Fit the soft rubber tip onto the container holding the mixed freeze-dried powder; when using, simply squeeze the rubber tip. 4. Apply an appropriate amount of the mixed solution to your face, then massage until it is absorbed.
Matters need attention	1. Due to individual differences in skin types, it is recommended to perform a patch test on an area of your skin before using this product; if any irritation or discomfort occurs, please discontinue use. 2. Store this product in a cool, dry place, away from direct sunlight. Once prepared, use immediately. 3. Keep out of reach of children. 4. Do not use this product in conjunction with products containing heavy metals or alcohol; otherwise, the freeze-dried powder may lose its efficacy.

50 : EXTRACELLULA Umbilical Cord Muscle Active Serum Bottle Original Liquid

1. Product Overview

This product is suitable for all skin types; it deeply hydrates the skin's base layer, improves dryness and fine lines, and helps maintain a radiant, luminous complexion with long-term use.

2. Product Features & Functions

Product function	Moisturizes the skin's base layer and reduces dry lines; long-term use helps maintain a radiant, glowing complexion. Suitable for all skin types.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	3 mL × 10 bottles
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, propylene glycol, (animal) umbilical cord extract. Other trace components: triethanolamine, Carbomer, 1,2-hexanediol, ethylhexylglycol, sodium hyaluronate, octylenohydroxamic acid.

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of product evenly across your face and massage until fully absorbed.
---------------------	---

Matters need attention	1. Due to individual differences in skin types, it is recommended to perform a patch test on an area of your skin before using this product; if any irritation or discomfort occurs, please discontinue use. 2. Store this product at room temperature; avoid direct sunlight. 3. Keep out of reach of children. 4. Do not use this product in conjunction with products containing heavy metals or alcohol; otherwise, the active ingredient may lose its efficacy.
---------------------------------------	---

51 : EXTRACELLULA Umbilical Cord Revitalizing
Essence Lotion

1. Product Overview

This product provides intensive hydration and firming effects for the skin; long-term use helps enhance skin firmness, refine texture, and restore a supple, plump appearance—suitable for all skin types.

2. Product Features & Functions

Product function	Intensely moisturizing and firming; long-term use helps the skin become firmer, smoother, more elastic, and plump.
------------------	--

3. Product Specifications and Ingredients

Size of product	30ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, glycerol, coconut oil alcohol octanoate/decanoate, C15 - 19 alkanes, isononyl isononyl ester, triethylhexyl glycerin, cetyl palmitate, sorbitan oleate, xylitol oleate, xylitol glucoside, dehydrated xylitol, propylene glycol, (animal) umbilical cord extract, xylitol, hydroxyethyl

	acrylate/acrylamide dimethyl taurate copolymer, arginine, Carbomer. Other trace components: EDTA disodium, 1,2-hexanediol, ethylhexyl glycol, octyloxyhydroxamic acid.
--	---

4. Direction for use

Usage method	Apply an appropriate amount of product evenly to your face, then massage until fully absorbed.
Matters need attention	1. Due to individual variations in skin types, it is recommended to perform a patch test on an area of your skin before using this product; if you experience any discomfort, please discontinue use. 2. Store this product in a cool, dry place, away from direct sunlight. 3. Keep out of reach of children.

52 : EXTR A CELLUL A Moisturizing Facial Cleansing Lotion

1. Product Overview

This product possesses cleansing and moisturizing properties.

2. Product Features & Functions

Product function	Provides cleansing and moisturizing benefits.
------------------	---

3. Product Specifications and Ingredients

Size of product	100g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, sodium cocoylglycinate, potassium cocoylglycinate, sodium cocoyl methyltaurine, cetyl alcohol polyether-60, myristyl glycol, sodium

	hydroxypropyl starch phosphate, sodium lauryl amide ethylhexadecylamine, Tranexamic Acid, sodium chloride, benzyl alcohol, malt oligosaccharide glucoside, hydrogenated starch hydrolysate. Other trace ingredients: Ethylhexylglycol.
--	--

4. Direction for use

Usage method	After moistening your face with clean water, take an appropriate amount of the product into your palm, add water to create a lather, then massage it onto your face in circular motions; finally, rinse thoroughly with clean water.
Matters need attention	1. Due to individual variations in skin types, it is recommended to perform a patch test on an area of your skin before using this product; if you experience any discomfort, please discontinue use. 2. Store this product at room temperature; avoid direct sunlight. 3. Keep out of reach of children.

53: EXTRACELLULA Skin Repair Essence

1. Product Overview

This product is suitable for all skin types; it helps repair the skin barrier, alleviate skin discomfort, provides long-term skin repair and stabilization, reduces skin damage, and revitalizes the skin's healthy state.

2. Product Features & Functions

Product function	Restores the skin barrier, alleviates skin discomfort, provides long-term repair and stabilization, reduces skin damage, and revitalizes the skin's healthy state.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	3 mL × 10 bottles
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, propylene glycol, royal jelly extract, honey extract. Other trace components: Carbomer, triethanolamine, polyglyceryl-6 laurate, PEG-10 sorbitan stearate, ethylhexyl glycol, 1,2-hexanediol, octyloxyhydroxymaleic acid.

4. direction for use

Usage method	After cleansing your face in the morning and evening, apply an appropriate amount of product evenly across your face, gently pat it on,
---------------------	---

	and massage until fully absorbed.
Matters need attention	1. Due to individual differences in skin types, it is recommended to perform a patch test on an area of your skin before using this product; if any irritation or discomfort occurs, please discontinue use. 2. Store this product in a cool, dry place, away from direct sunlight. 3. Keep out of reach of children.

54: EXTRACELLULA Radiant Skin Revitalizing Essence

1. Product Overview

After cleansing your face, take an appropriate amount of this product into your palm, massage it evenly, then gently pat it onto your face and massage until fully absorbed. Long-term use will leave your skin hydrated, radiant, and visibly clear and bright.

2. Product Features & Functions

Product function	Long-term use leaves the skin hydrated, radiant, and visibly clear.
------------------	---

3. Product Specifications and Ingredients

Size of product	20ml+10ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): Formula 1: Water, propylene glycol, butylene glycol, undecenoic acid-labeled phenylalanine, arginine, cetyl stearate, olive oil fatty acid ester, (animal) umbilical cord extract, sorbitan olive oil fatty acid ester, ascorbic acid palmitate, trisodium phosphate, polyacrylate cross-linked polymer-6. Formula 2: water, propylene glycol, butanediol, glycerol, Hibiscus abelmoschus extract, polyacrylate cross-linked polymer-6, and Althaea

	officinalis extract. Other trace components: Formula 1: Sodium 生育酚磷酸酯, xanthan gum, acacia gum (ACACIA SENEGAL), disodium EDTA, 1,2-hexanediol, ethylhexyl glycol, octoyl hydroxymaleate. Formula 2: Di-glucoxyphosphonic acid, xanthan gum, acacia gum (Acacia senegal), ethylenediaminetetraacetic acid disodium salt, 1,2-hexanediol, ethylhexyl glycol, octoyl hydroxymaleate.
--	--

4. Direction for use

Usage method	After cleansing your face, take an appropriate amount of product into your palm, massage it evenly, gently pat it onto your face, and massage until fully absorbed.
Matters need attention	1. Due to individual variations in skin types, it is recommended to perform a patch test on an area of your skin before using this product; if you experience any discomfort, please discontinue use. 2. Store this product at room temperature; avoid direct sunlight. 3. Keep out of reach of children.

55: EXTRACELLULA Pure Skin Acne-Fighting Essence

1. Product Overview

This product is specifically designed for daily care of acne-prone areas, helping to reduce the occurrence of breakouts and improve the management of recurring acne.

2. Product Features & Functions

Product function	Designed specifically for daily care of acne-prone areas, this product helps reduce breakouts and improve their recurrence.
------------------	---

3. Product Specifications and Ingredients

Size of product	3 mL × 10 bottles
Product Ingredients	Ingredients comprising ≥ 0.1% (w/w): water, glycerol, 1,2-pentanediol, silanol diol salicylate ester, octylglycine, xylitol-based glucoside, methylpropanediol, dehydrated xylitol, sodium hydroxide, xylitol, and polyacrylate cross-linked polymer. Other trace components: Quaternary ammonium salt-73, hydroxyethyl acrylate/acrylamide dimethyl taurine sodium copolymer, polysorbate 60, sorbitan isostearate.

4. direction for use

Usage method	After cleansing your face, take an appropriate amount of product and gently massage it onto your face until fully absorbed; alternatively, you may apply it directly to acne-prone areas.
--------------	---

Matters need attention	1. Due to individual variations in skin types, it is recommended to perform a patch test on an area of your skin before using this product; if you experience any discomfort, please discontinue use. 2. Store this product at room temperature, protected from light. 3. Keep out of reach of children.
---------------------------------------	--

56: EXTRACELLULA Pure Skin Essence Water

1. Product Overview

This product is suitable for all skin types and helps cleanse the skin.

2. Product Features & Functions

Product function	Cleanse your skin.
-------------------------	--------------------

3. Product Specifications and Ingredients

Size of product	3 mL × 6 bottles/box
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, propylene glycol, honey extract, hydrolyzed sponge. Other minor ingredients: triethanolamine, Carbomer, 1,2-hexanediol, ethylhexylglycol, octylenohydroxamic acid

4. Direction for use

Usage method	After cleansing your face, take an appropriate amount of this product, apply it evenly to your face, and massage gently; after 15 – 20 minutes, rinse thoroughly with clean water.
Matters need attention	1. Due to individual differences in skin types, it is recommended to perform a patch test on an area of your skin before using this product; if any irritation or discomfort occurs, please discontinue use. 2. Store this product in a cool, dry place, away from direct sunlight. 3. Keep out of reach of children.

57: EXTRACELLULA Radiance Makeup Primer

1. Product Overview

This product features a lightweight skincare formula that gently conceals minor imperfections; with just one swipe, it creates an even protective layer that helps shield your skin from makeup and environmental pollutants, safeguarding a radiant, hydrated complexion.

2. Product Features & Functions

Product function	Specialized in developing lightweight skin-tone correction formulas that gently conceal minor imperfections; with just one swipe, it creates an even protective layer that helps shield your skin from makeup and environmental pollutants, safeguarding a radiant, hydrated complexion.
------------------	--

3. Product Specifications and Ingredients

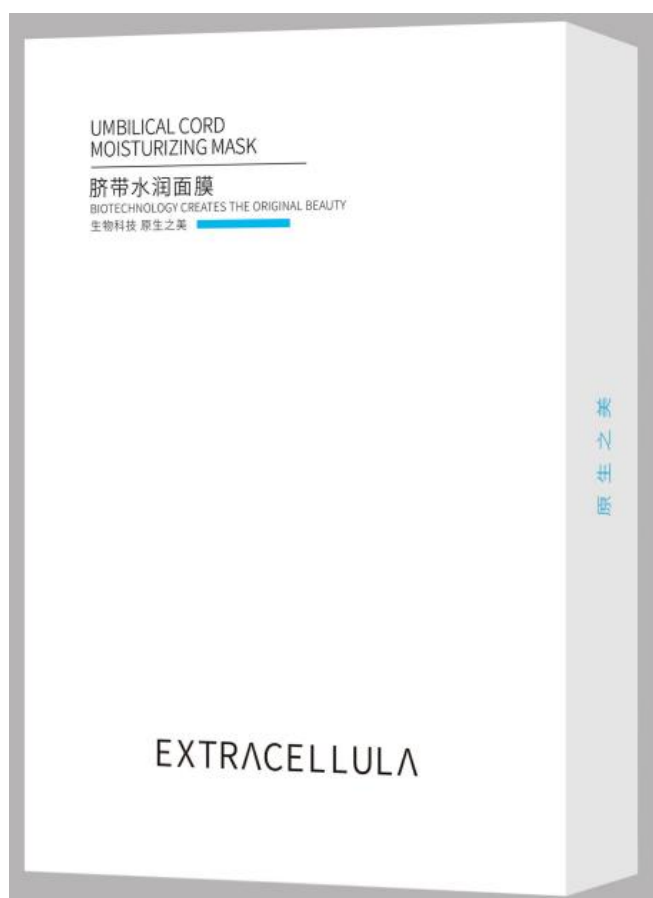

Size of product	30g/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, CI 77891, butylene glycol, C ₁₅ - C ₁₉ alkane, di-octyl carbonate, triethylhexyl glycolate, isononyl isononyl ester, decyl palmitoyl alcohol, hydroxyethyl acrylate/acrylamide dimethyl taurate copolymer,

	xylitol glucoside, decyl palmitoyl xylitol, PEG-30 dihydroxy stearate, dehydrated xylitol, propylene glycol, xylitol, CI 77492. Other trace ingredients: CI 77491, 1,2-hexanediol, ethylhexylglycol, octylenohydroxymaleic acid, CI 77499.
--	--

4. Direction for use

Usage method	After basic skincare, take an appropriate amount of this product and gently pat it evenly onto your face.
Matters need attention	1. Due to individual variations in skin types, it is recommended to perform a patch test on an area of your skin before using this product; if you experience any discomfort, please discontinue use. 2. Store at room temperature; avoid direct sunlight. 3. Keep out of reach of children.

58: EXTRA CELLULA Umbilical Cord Moisturizing Mask

1. Product Overview

This product is suitable for all skin types and provides deep hydration, helps improve dryness, and leaves the skin feeling deeply moisturized.

2. Product Features & Functions

Product function	Deep hydration that improves skin's dehydration levels, leaving the skin deeply moisturized.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	25g × 5 tablets
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, propylene glycol, (animal) umbilical cord extract. Other trace ingredients: triethanolamine, Carbomer, 1,2-hexanediol, hydroxyethyl cellulose, sodium hyaluronate, ethylhexylglycol, octylenohydroxamic acid.

4. Direction for use

Usage method	1. After cleansing your face, remove the facial mask, unfold it, and apply it to your face; press gently to ensure it adheres properly to your skin. 2. After 15 – 20 minutes, remove the mask and gently massage until the serum is fully absorbed.
Matters need attention	1. Before using skincare products, it is recommended that you first apply a small amount of serum to the skin behind your ear for a patch test; if you experience any discomfort, it is advisable to temporarily discontinue use. 2. Store at room temperature; avoid direct sunlight. 3. Keep out of reach of children.

59: Silk Cream & Rare Herb Mask

1. Product Overview

This product provides moisturizing, anti-wrinkle, firming, and soothing benefits, leaving the skin radiant and hydrated.

2. Product Features & Functions

Product function	This product provides moisturizing, anti-wrinkle, firming, and soothing benefits, leaving the skin radiant and hydrated.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	Silk Cream & Rare Herb Mask Powder: 10 g + Silk Cream & Rare Herb Mask Mixing Solution: 22 ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): Formula 1: Water, butylene glycol, Hydroxyacetophenone, and Glycyrrhiza uralensis extract. Formula 2: Astragalus membranaceus (ASTRAGALUS MEMBRANACEUS) root extract; Poria cocos (PORIA COCOS) extract; Angelica sinensis (ANGELICA POLYMORPHA SINENSIS)

	root extract; Coix lacryma-jobi (COIX LACRYMA-JOBI) seed extract; Bletia hyacinthina (BLETIA HYACINTHINA) bulb extract; Leonurus sibiricus (LEONURUS SIBIRICUS) extract; Prunus persica (PRUNUS PERSICA) flower extract; Panax quinquefolius (PANAX QUINQUEFOLIUS) root extract.
--	--

4. Direction for use

Usage method	After cleansing your face, mix the facial mask powder and mask preparation solution in a 1:1 ratio (1 bottle of mask powder: 1 bottle of mask preparation solution) until a paste-like consistency is formed; apply the mixture evenly to your face using a spatula or brush (avoiding the eyelashes and eyebrows); after approximately 60 minutes, gently remove the mask, then rinse thoroughly with warm water.
matters need attention	1. Not to be used on broken skin. 2. Contraindicated in pregnant women. 3. If you experience any discomfort during use, stop using this product immediately.

60: Huaqian Guqing Fuhu Shui

1. Product Overview

This product contains a variety of nutrients that moisturize the skin, leaving it fine-textured and radiant; it replenishes essential nutrients and hydration, imparting a soft, smooth texture to the skin and resulting in visibly healthier, more vibrant skin.

2. Product Features & Functions

product function	Deeply nourishes and revitalizes the skin, combined with massage techniques to leave the skin smooth and radiant.
------------------	---

3. Product Specifications and Ingredients

Size of product	120ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glyceryl polyether-26,1,3-propanediol, glycerol, 1,2-hexanediol, Hydroxyacetophenone, betaine, PCA sodium. Other trace components: urea, trehalose, sodium lactate, pyrrolidone carboxylic acid, stem extract from Opuntia ficus-indica (仙桃仙人掌), serine, alanine, 1,2-pentanediol, glycine, polyquaternium-51, glutamic acid, triacetin, lysine hydrochloride, threonine, arginine, cassava starch, sodium hyaluronate, proline, sodium chloride, sodium dihydrogen phosphate, collagen.

4. Direction for use

Usage method	Apply the Youth Revitalizing Water evenly to your face and neck, massage gently until fully absorbed, then proceed with your standard skincare routine.
Matters need attention	Before use, please perform a local skin sensitivity test; if no irritation occurs, you may proceed with use. If your skin experiences any discomfort during use, stop using the product immediately and consult a healthcare professional.

61 : Kexiu Duo Reconstituted Collagen Revitalizing & Repairing Firming Essence

1. Product Overview

This product contains 1% collagen to enhance skin hydration and vitality, promote skin repair and rejuvenation, and leave the skin firm, supple, and refined. Formulated with three key active ingredients — 3% Hydroxypropyl Tetrahydropyrantriol extract, 1% icosapentanol, and purslane extract—it repairs the skin barrier, soothes irritation, and provides gentle protection for the skin.

2. Product Features & Functions

Product function	Provides moisturizing, repairing, anti-wrinkle, firming, soothing, gentle, and suitable for sensitive skin benefits.
------------------	--

3. Product Specifications and Ingredients

Size of product	40ml
Product	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol,

Ingredients	hydroxypropyl tetrahydrofuran triol, glycerol, collagen, tetrahydromethylpyrimidine carboxylic acid, 1,2-hexanediol, Hydroxyacetophenone, squalane, panthenol, carbomer, arginine, carnosine, hydrolyzed sodium hyaluronate. Other trace ingredients: ceramide NP, tamarind (TAMARINDUS INDICA) seed extract, sodium hyaluronate, acetyl hexapeptide-8, purslane (PORTULACA OLERACEA) extract, allantoin, lecithin, disodium EDTA, sorbitan monooleate, hexyldecanol, hydrogenated lecithin, phytosterols.
--------------------	--

4. Direction for use

Usage method	After cleansing your face in the morning and evening and applying a moisturizer, press an appropriate amount of this product onto your facial skin, massage gently until fully absorbed.
Matters need attention	Please keep out of reach of children. If you experience any discomfort during use, please stop using it.

62: Rusi Heart Huangjing Polypeptide Repair Mask

1. Product Overview

This product contains a variety of plant extracts that deeply nourish and moisturize the skin, effectively lock in moisture, and alleviate dryness and tightness; after application, the skin becomes smooth, supple, and radiant with renewed vitality.

2. Product Features & Functions

Product function	Moisturizes and hydrates, effectively locks in moisture, and improves dry skin.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	28 g × 5 tablets
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, 1,3-propanediol, panthenol, trehalose, butanediol, Hydroxyacetophenone, sodium hyaluronate, Polygonatum cyrtomena extract, carbomer, arginine, and methylpropanediol. Other trace ingredients: allantoin, 1,2-hexanediol, octyl glycolate, octyloxyhydroxymaleate, octanoic acid/octadecanoic acid triglycerides, Centella asiatica extract, collagen, polyglyceryl-10 stearate, hydroxyethyl cellulose, ceramide NP, hydroxypropyl tetrahydropyran triol, cetyl alcohol polyether-20, Polygonum cuspidatum root extract, Scutellaria baicalensis root extract, polysorbate 20, 1,2-hexanediol, Glycyrrhiza glabra root extract, Camellia sinensis leaf extract, hyaluronic acid, Rosmarinus officinalis leaf extract, Chamomilla recutita flower extract, oligopeptide-1, fullerene, oligopeptide-5, oligopeptide-2.

4. Direction for use

Usage method	1. Cleanse facial skin; 2. Open the small packaging bag, take out the facial mask, and unfold it; 3. Apply the facial mask and press gently to ensure it adheres tightly to your face; 4. Relax your mind and enjoy 15 – 20 minutes; 5. Remove the mask, then rinse thoroughly with clean water.
Matters need attention	1. This product is for external use only; 2. Store in a cool, dark place, away from direct sunlight; 3. Depending on individual skin types and environmental factors, if you experience any discomfort during use, please stop using it immediately.

63: Shenjiang Ronglong Rong Essence Oil

1. Product Overview

This product is skin-friendly and easily absorbed; after application, it provides moisturizing yet non-greasy care that softens the skin, soothes skin discomfort, and alleviates skin irritation.

2. Product Features & Functions

Product function	Provides moisturizing and soothing effects.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	5ml×2
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, ethanol, isosorbide anhydride dimethyl ether, glycerol, polysorbate 20, PEG-40 hydrogenated castor oil, butanediol, vanillyl butyl ether, Panax notoginseng root extract, benzyl alcohol, lyceum chinense extract, Bisabolol, 1,2-hexanediol. Other trace components: Cistanche deserticola extract; Cinnamomum camphora leaf extract; Cynomorium songaricum extract; Portulaca oleracea extract; Dendrobium nobile extract; Gentiana scabra root extract; Macrocystis pyrifera extract; Chenopodium quinoa seed extract; Swertia bimaculata extract; Gentiana scabra extract; Gentiana

	macrophylla extract; Hydroxyacetophenone; camphor.
--	--

4. Direction for use

Usage method	Apply an appropriate amount of essence oil to your entire body, then massage gently until fully absorbed.
Matters need attention	1. Avoid contact with eyes; if accidental eye exposure occurs, immediately rinse with clean water; 2. Do not use if you have dermatitis or have broken skin; 3. For first-time use, you may begin by testing the product on a sensitive area behind the ear; if no allergic reaction occurs after 15 minutes, you may proceed with use. 4. Not for use in children.

64: ALONE ANGEL – Youth-Revitalizing Water

1. Product Overview

This product formulation incorporates small-molecule moisturizers, polyols, butylene glycol, and glycerol to lock in moisture and keep the skin hydrated, thereby achieving its moisturizing effect.

2. Product Features & Functions

Product function	Hydrates the skin, alleviates dehydration and dryness, and leaves the skin supple and smooth.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	100 ml/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): CRITHMUM MARITIMUM callus culture filtrate; butylene glycol; PIPER METHYSTICUM root extract; glycerol; Hydroxyacetophenone; 1,2-hexanediol; glycoside of glycerol; panthenol; BLETILLA STRIATA root extract; AMPELOPSIS JAPONICA root extract; PANAX GINSENG root extract; TREMELLA

	FUCIFORMIS extract; PAEONIA ALBIFLORA root extract; PORIA COCOS extract; ATRACTYLODES MACROCEPHALA root extract. Other trace components: alkaliphilic bacillus polysaccharides, EDTA di disodium, octyl hydroxymaleate, hesperidin, hydrolyzed sodium hyaluronate, β -glucan, glyceryl octanoate.
--	--

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of product to your face and gently massage until fully absorbed.
Matters need attention	1. Due to the inclusion of various plant extracts, the color and odor of the product may vary slightly depending on the batch of raw materials used; this is a normal phenomenon, and you can use the product with confidence. 2. Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

65: ALONE ANGEL Moisturizing Cleansing Face Wash

1. Product Overview

This product offers scientific skincare to preserve your beautiful skin; featuring plant-derived extracts, it enhances your skin's natural radiance.

2. Product Features & Functions

Product function	Purifies and softens your skin; while cleansing, it gently cares for your skin, leaving it soft and smooth.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	80 ml/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, lauryl sulfosuccinate disodium, lauryl polyether sulfate sodium, coconut lauroyl glutamate sodium, coconut lauroyl hydroxyethyl sulfonate sodium, coconut lauroyl sarcosine TEA salt, sodium chloride, coconut lauroyl glycinate sodium, coconut lauroyl taurine sodium, acrylic acid (ester) copolymer, triethanolamine, benzyl alcohol, propylene glycol,

	and methylparaben. Other trace ingredients: lactic acid bacteria fermentation-derived lysate products, bird's nest extract, <i>Saccharomyces cerevisiae</i> fermentation-derived lysate products, flavoring agent, ethylhexyl glycol, cucumber (<i>CUCUMIS SATIVUS</i>) fruit extract, 1,2-hexanediol, Hydroxyacetophenone, arginine.
--	---

4. Direction for use

Usage method	Take an appropriate amount of product into your palms, rub evenly between both hands, then apply it to your facial skin; massage gently in the direction of the skin's texture for 1 – 2 minutes, then rinse thoroughly with clean water. Use this product twice daily—morning and evening—for optimal results.
Matters need attention	Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

66: ALONE ANGEL Moisturizing Ice Mask

1. Product Overview

This product replenishes skin nutrients, leaving the skin hydrated and smooth.

2. Product Features & Functions

Product function	Hydrates the skin, leaving it moisturized and smooth.
-------------------------	---

3. Product Specifications and Ingredients

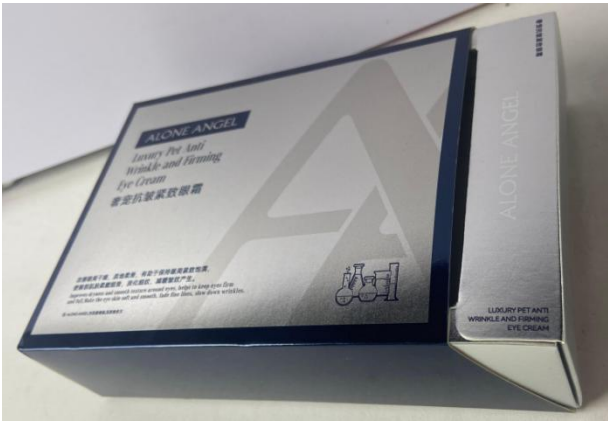

Size of product	28 mL × 6 tablets
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, 1,3-propanediol, PEG/PPG-17/6 copolymer, glyceryl polyether-26, betaine, propylene glycol, panthenol, carbomer, 3-allyl ascorbic acid, arginine. Other trace components: allantoin, xanthan gum, 1; 2-Hexanediol; sodium acrylate (ester) copolymer; butanediol; ethylhexylglycol; octoyl hydroxymaleate; red algae extract (Rhodophyta); triethanolamine polyether-9; PEG-40 hydrogenated castor oil; menthol; Cynanchum atratum (Whitewort) extract; benzyl alcohol; Rosmarinus officinalis (Rosemary) leaf water; Mentha piperita (Peppermint) leaf water; Melissa officinalis (Melissa) flower/leaf/stem water; sodium hyaluronate; oligopeptide-1; niacinamide; coagulation acid; pentapeptide-3; carnosine; hydroxypropyl tetrahydrofuran triol; soluble proteoglycan; Glycyrrhiza uralensis (Licorice) root extract; tetrahydromethylpyrimidine carboxylic acid; hexapeptide-2; glycerol;

	sodium polyaspartate; hydrogenated lecithin; octyl glycol; polyglyceryl-10 stearate; Opuntia dillenii (Opuntia) extract; ceramide NP; Ophiopogon japonicus (Ophiopogon) root extract; oat bran extract; Paeonia lactiflora (Peony) root extract; oat β -glucan; Scutellaria baicalensis (Scutellaria) root extract; ceramide AS; ceramide NS/ceramide NG; ceramide. EOP, ceramide AP.
--	---

4. Direction for use

Usage method	After cleansing your face, remove the mask and gently apply it to your face; then, press gently to squeeze out the bubbles, ensuring the mask adheres tightly to your skin. Leave it on for approximately 20 – 25 minutes, then remove the mask, massage gently, and rinse thoroughly with clean water.
Matters need attention	This product has passed quality testing; however, it does not list adverse reactions such as allergic reactions for a very small number of individuals. If any abnormal symptoms occur during use, please discontinue use immediately.

67 : ALONE ANGEL Luxury Anti-Wrinkle Firming Eye Cream

1. Product Overview

This product effectively improves dryness around the eyes; its smooth texture provides a moisturizing application feel. After use, it leaves the skin feeling refreshed and non-greasy, with easy absorption, leaving the eye area soft and velvety while helping to maintain firmness and fullness in the eye area and slowing the formation of wrinkles.

2. Product Features & Functions

Product function	Improves eye area dryness, reduces fine lines, and firms the skin around the eyes.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	10 g × 2 × 3 g × 6 bottles
Product Ingredients	Ingredients comprising ≥0.1% (w/w): water, cetyl alcohol, squalane, 1,3-propanediol, polydimethylsiloxane, betaine, polysorbate 60, isononyl isononyl ester, polydimethylsiloxane alcohol, glyceryl polyether-26, PEG-60 sorbitan stearate, PEG-100 glyceryl stearate, propylene glycol, glycerol, 1,2-hexanediol, Carbomer, arginine, polyacrylamide. Other trace ingredients: C13 - C14 isoprenanes, sodium hyaluronate, xanthan gum, glyceryl stearate ester, ethylhexyl glycol, octenoxo hydroxymaleic acid, lauryl polyether-7, glyceryl acrylate/acrylic acid

	copolymer, PVM/MA copolymer, soluble collagen, dipropylene glycol, hydrogenated lecithin, Urtica dioica (URTICA DIOICA) extract, Centella asiatica (CENTELLA ASIATICA) extract, polyglyceryl-10 stearate ester, Houltuynia cordata (HOULTUYNIA CORDATA) extract, Phyllotrichytes nigra (PHYLLOSTACHYS NIGRA) leaf extract, Passiflora incarnata (PASSIFLORA INCARNATA) extract, Polygonum multiflorum (POLYGONUM MULTIFLORUM) root extract, Eclipta prostrata (ECLIPTA PROSTRATA) extract, sodium citrate, ceramide NP, oat (AVENA SATIVA) β-glucan, 1, 2-Pentanediol, Taraxacum officinale rhizome/root extract, Viola yedoensis extract, Chamomilla recutita flower extract, Paeonia lactiflora root extract, Lonicera japonica flower extract, Malva sylvestris flower extract, sodium chloride, Hydroxyacetophenone, PPG-13 decyltetradecyl polyether-24, carnosine, ceramide AS, Aloe barbadensis leaf juice, ceramide NS/ceramide NG, fibronectin, oligopeptide-1, acetylated hexapeptide-8, palmitoylated pentapeptide-4, acetylated tetrapeptide-3, acetylated tetrapeptide-9, palmitoylated tripeptide-8, nonapeptide-1, acetylated tetrapeptide-11, hexapeptide-9, ceramide EOP, ceramide AP.
--	---

4. Direction for use

Usage method	After cleansing your face in the morning and evening, take an appropriate amount of this product on the skin around the eye area, then use the pads of your fingers to massage in a clockwise direction until fully absorbed.
Matters need attention	Before using this product, please perform a patch test on a small area of skin.

68: ALONE ANGEL Anti-Aging Essence

1. Product Overview

This product formulation incorporates small-molecule moisturizers, polyols, butylene glycol, and glycerol to lock in moisture and keep the skin hydrated, thereby achieving its moisturizing effect.

2. Product Features & Functions

Product function	Nurtures your skin, replenishes its moisture, leaving it supple, youthful, and radiant.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	50 mL/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): Callus culture filtrate of Crithmum maritimum, seed oil of Rosa rubiginosa, butylene glycol, wood oil of Aniba rosodora, seed oil of Pyrus malus, glycerol, seed oil of Passiflora incarnata, floral water of Rosa rugosa, 1,2-hexanediol, Hydroxyacetophenone, water, sodium chloride, root extract of Amelopsis japonica, root extract of Paeonia albaflora, root extract of Attractylodes macrocephala, root extract of Bletilla striata, root extract of Panax ginseng, extract of Tremella fuciformis, extract of Poria cocos, alkaliphilic actinobacterial polysaccharides, and carboxymethyl-deacetylated chitosan polysaccharide.

	Other trace ingredients: Centella asiatica extract, Boswellia serrata extract, β -glucan, octanoic hydroxymaleate, (cosmetic) fragrance, lavender (Lavandula angustifolia) flower extract, gardenia (Gardenia jasminoides) fruit extract.
--	---

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of product to your face and gently massage until fully absorbed.
Matters need attention	1. Due to the inclusion of various plant extracts, the color and odor of the product may vary slightly depending on the batch of raw materials used; this is a normal phenomenon, and you can use the product with confidence. 2. Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

69 : ALONE ANGEL Light-Activated Radiance Freeze-Dried Mask

1. Product Overview

This product utilizes freeze-drying technology to produce a fine, smooth mask that adheres well to the skin, provides deep hydration, and locks in moisture, leaving the skin elastic, supple, and soft and smooth.

2. Product Features & Functions

Product function	Hydrates and retains moisture, leaving the skin supple, plump, and smooth.
------------------	--

3. Product Specifications and Ingredients

Size of product	3g /5 Tablets
Product Ingredients	Ingredients present at $\geq 0.1\%$ (w/w): water, propylene glycol, trehalose, mannitol, sodium polyacrylate, hydroxyethyl cellulose, nicotinamide.

	Other trace ingredients: sodium hyaluronate, fullerenes, Centella asiatica (CENTELLA ASIATICA) extract, snail secretion filtrate, Poria cocos (PORIA COCOS) extract, tea (CAMELLIA SINENSIS) polyphenols, polysorbate 60, disodium hydrogen phosphate, and monopotassium dihydrogen phosphate.
--	--

4. Direction for use

Usage method	After cleansing your face, add 25 mL of purified water and soak for approximately 3 minutes; then, remove the mask and apply it to your face for 15 - 20 minutes before removing it; finally, rinse your face thoroughly.
Matters need attention	1. Please keep out of reach of children. 2. Avoid contact with eyes; before use, perform a patch test with an appropriate amount of product; if any skin irritation occurs, discontinue use.

70: ALONE ANGEL Plant-Based Beauty Energy Water

1. Product Overview

This product contains multiple patented ingredients (β -glucan, fibronectin, arginine/lysine peptide, soluble collagen) along with a variety of plant extracts, which hydrate the skin, care for delicate skin, and replenish its vitality.

2. Product Features & Functions

Product function	Hydrate your skin and nourish it.
-------------------------	-----------------------------------

3. Product Specifications and Ingredients

Size of product	30ml/bottle + 200ml/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, butanediol, betaine, Kaowhut pepper (PIPER METHYSTICUM) root extract, arginine, 3-allylascorbic acid, Hydroxyacetophenone, potassium dihydrogen tartrate. Other trace components: EDTA disodium salt, octyl hydroxymaleate, β -glucan, carnosine, isosorbide diethyl ether, 1,3-propanediol, glyceryl octanoate, Ganoderma lucidum (GANODERMA LUCIDUM) extract,

	Centaurea cyanus (CENTAUREA CYANUS) flower extract, Dioscorea japonica (DIOSCOREA JAPONICA) root extract, Saponaria officinalis (SAPONARIA OFFICINALIS) extract, 1,2-pentanediol, 1,2-hexanediol, ethylhexylglycol, soluble collagen, sodium dihydrogen phosphate, disodium hydrogen phosphate, arginine/lysine polypeptide, fibronectin.
--	---

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of product to your face, massage gently until fully absorbed.
Matters need attention	Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

71: ALONE ANGEL Plant-Based Makeup Remover Essence Oil

1. Product Overview

This product effortlessly dissolves makeup and skincare residue, effectively removes dirt deep within the pores, cleanses your skin while moisturizing it, leaving your skin clear and radiant.

2. Product Features & Functions

Product function	Removes residues from makeup and skincare products, and cleanses deep within the pores.
------------------	---

3. Product Specifications and Ingredients

Size of product	100ml
-----------------	-------

Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): Grape (VITIS VINIFERA) seed oil, glyceryl sebacate/octanoate, PEG-20 triglyceride of isostearic acid, Camellia (CAMELLIA JAPONICA) seed oil, apricot (PRUNUS ARMENIACA) kernel oil, Simmondsia (SIMMONDSIA CHINENSIS) seed oil, tocopheryl acetate, squalene. Other trace ingredients: bitter orange (CITRUS AURANTIUM AMARA) flower oil, rose (ROSA RUGOSA) flower oil.
----------------------------	--

4. Direction for use

Usage method	Apply directly to your face using an extruder, then gently massage with the pad of your finger until the makeup and dirt are dissolved; rinse thoroughly.
Matters need attention	Skin types vary among individuals; when using this product for the first time, we recommend performing a sensitivity test on the inside of your arm. If any discomfort occurs, please discontinue use.

72: ALONE ANGEL Youth Revitalizing Lotion

1. Product Overview

This product formulation incorporates small-molecule moisturizers, polyols, butylene glycol, and glycerol to lock in moisture and keep the skin hydrated, thereby achieving its moisturizing effect.

2. Product Features & Functions

product function	Intensive moisturizing that nourishes the skin's base layer, enhances its ability to retain moisture, and leaves the skin hydrated and smooth.
------------------	--

3. Product Specifications and Ingredients

Size of product	60 ml/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): Crithmum maritimum (CRITHMUM MARITIMUM) callus culture filtrate; butylene glycol; isononyl isononyl ester; polydimethylsiloxane; rice (ORYZA SATIVA) bran oil; water; glycerol; Butyrospermum parkii (BUTYROSPERMUM PARKII) fruit lipids; cetyl alcohol; 1,2-hexanediol;

	Hydroxyacetophenone; Trifolium pratense (TRIFOLIUM PRATENSE) extract; Dioscorea villosa (DIOSCOREA VILLOSA) root extract; cetyl glucoside; allantoin; tocopherol (vitamin E). Other trace components: glycoprotein, decapeptide-4, xanthan gum, acrylic (ester) compounds/C_{10 - 30} alkyl acrylate cross-linked polymer, arginine, Rosa rugosa oil, sodium chloride, disodium hydrogen phosphate.
--	---

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of product to your face, gently massage until fully absorbed.
Matters need attention	1. Due to the inclusion of various plant extracts, the color and odor of the product may vary slightly depending on the batch of raw materials used; this is a normal phenomenon, and you can use the product with confidence. 2. Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

73: ALONE ANGEL Age-Defying Youth Cream

1. Product Overview

This product nourishes your skin, leaving it deeply hydrated — like silk — while imparting a smooth, fine texture and a supple, soft feel.

2. Product Features & Functions

Product function	Locks in moisture and nourishes the skin.
-------------------------	---

3. Product Specifications and Ingredients

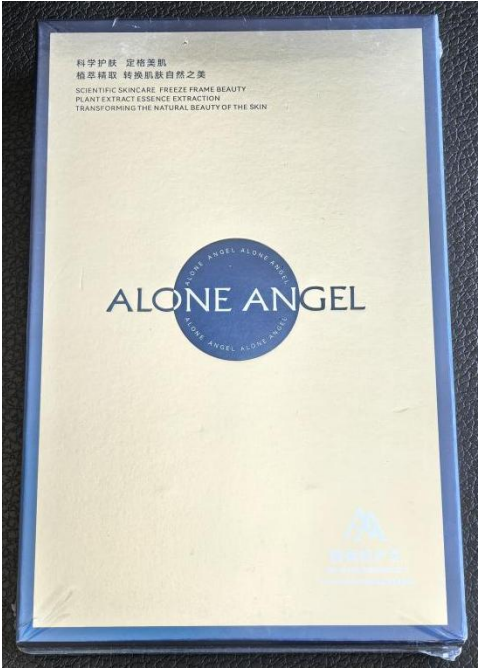

Size of product	50g/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): Callus culture filtrate of Crithmum maritimum, polydimethylsiloxane, butanediol, hydroxypropyltetrahydropyran triol, water, CI 77163, cyclodimethicone, stearyl alcohol, squalene, glycerol, seed oil of Simmondsia chinensis, synthetic wax, cetylPEG/PPG-10/1 polydimethylsiloxane, isononyl isononyl ester, polydimethylsiloxane PEG-10/15 cross-linked polymer, isooctane, neopentyl glycol diheptanoate, extract from Spirogyra maxima, acetate of tocopherol, polyglyceryl-2 trimethylhexadecyl ether, cyclohexylsiloxane, magnesium sulfate, ethylhexyl hydroxystearate, Hydroxyacetophenone, 1,2-hexanediol, root extract of AtRACTYLODES MACROCEPHALA, extract of PORIA COCOS, root extract of AMPELOPSIS JAPONICA, root extract of PAEONIA ALBIFLORA, root extract of BLETILLA STRIATA, root extract of PANAX GINSENG, extract of TREMELLA FUCIFORMIS, sodium hyaluronate hydrolysate.

	Other trace ingredients: soluble collagen, palmitoyl tripeptide-8, oligopeptide-1, palmitoyl tripeptide-1, heptapeptide-6, 1,2-pentanediol, potassium glycyrrhizinate, ethylenediaminetetraacetic acid disodium salt, octyl hydroxymaleate, Bacillus/soybean fermentation product extract, folic acid, dipropylene glycol, Rosa rugosa flower oil, sodium citrate, PPG-5-Cetyl alcohol polyether-20, glyceryl octanoate, sodium hyaluronate, ethylhexylglycol, tocopherol (vitamin E), acetylated heptapeptide-4, CI 19140, CI 15985.
--	---

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of product to your face, massage gently until fully absorbed.
Matters need attention	1. Due to the inclusion of various plant extracts, the color and odor of the product may vary slightly depending on the batch of raw materials used; this is a normal phenomenon, and you can use the product with confidence. 2. Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

74: ALONE ANGEL Protective Emulsion

1. Product Overview

This product is rich in a variety of moisturizing ingredients, featuring plant-derived extracts and scientific skincare technology that helps protect the skin from external environmental factors and enhances its natural beauty.

2. Product Features & Functions

Product function	Locks in moisture and nourishes the skin.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	15 mL/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, mineral oil, glycerol, propylene glycol, CI 77891, dioctyl carbonate, C12 - 15 aliphatic benzoate, cyclopentadimethylsiloxane, cetyl PEG/PPG-10/1 polydimethylsiloxane, phenyltrimethicone, butylene glycol dioctyl/diundecyl ester, trimethylsilyl silicate, cyclohexylsiloxane,

	polydimethylsiloxane, sorbitan oleate, sorbitan behenyl oleate, magnesium sulfate, lithium montmorillonite with dimyristoylmethylammonium salt, vinylpolydimethylsiloxane/polymethyldimethicone behenyl siloxane cross-linked polymer, PEG-30 dihydroxy stearate, benzoxyl ethanol, beeswax, propylene glycol carbonate, methylparaben, magnesium stearate, polydimethylsiloxane alcohol, aluminum hydroxide. Other trace ingredients: Propylparaben, triethoxysilane, flavoring, ethylhexylglycol, butylene glycol, Centella asiatica extract, Boswellia serrata extract.
--	--

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of product evenly across your face, then gently massage until fully absorbed.
Matters need attention	Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

75 : ALONE ANGEL Crystal-Translucent Hydrating Cleansing Foam

1. Product Overview

This product cleanses while gently nourishing the skin, leaving it soft and smooth.

2. Product Features & Functions

Product function	Purifies the skin, locks in moisture, and nourishes the skin's base.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	5 mL/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, perfluorohexane, palmitoyl amide DEA, lauryl sarcosinate, hydroxyethyl cellulose, perfluoromethylcyclopentane, sodium acrylate/acrylamide dimethyl taurate copolymer, butylene glycol, Panax ginseng root extract, isooctane, Hydroxyacetophenone, CI 77004, bergamot fruit oil. Other trace components: perfluorodimethylcyclohexane, OPHIOPOGON JAPONICA extract, polysorbate 80, LYCIUM CHINENSE extract, synthetic fluorinated mica, TREMELLA

	FUCIFORMIS extract, CI 77891, potassium glycyrrhizinate, EDTA disodium salt, octyl hydroxymaleate, sorbitol oleate, 1,2-pentanediol, 1,2-hexanediol, glyceryl octoate, ERYNGIUM MARITIMUM callus culture filtrate, tin oxide, isosorbide dimer methoxide, soluble collagen, ethylhexyl glycol, arginine/lysine polypeptide.
--	---

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of product to your face, wait for a few minutes for the product to foam naturally, then cleanse your skin; use this product twice daily (morning and evening) for optimal results.
Matters need attention	1. Due to the inclusion of various plant extracts, the color and odor of the product may vary slightly depending on the batch of raw materials used; this is a normal phenomenon, and you can use the product with confidence. 2. Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

76 : ALONE ANGEL Crystal-Translucent Hydrating Moisturizing Water

1. Product Overview

This product formulation incorporates small-molecule moisturizers, polyols, butylene glycol, and glycerol to lock in moisture and keep the skin hydrated, thereby achieving its moisturizing effect.

2. Product Features & Functions

Product function	Hydrates and moisturizes, nourishes the skin's base layer, and leaves the skin radiant.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	50 mL/bottle
Product	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol,

Ingredients	glycerol, tremella fuciformis (TREMELLA FUCIFORMIS) fruiting body extract, glycyrrhizin, betaine, Hydroxyacetophenone, panthenol, Piper methysticum (PIPER METHYSTICUM) root extract, calendula officinalis (CALENDULA OFFICINALIS) flower extract, ophiopogon japonicus (OPHIPOGON JAPONICUS) root extract, saussurea involucrata (SAUSSUREA INVOLUCRATA) extract. Other trace components: alkaliphilic bacillus polysaccharides, disodium EDTA, octyl hydroxymaleate, 1,2-hexanediol, sodium hyaluronate, hydrolyzed sodium hyaluronate, glyceryl octyl ether.
--------------------	---

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of product to your face, gently massage until fully absorbed.
Matters need attention	1. Due to the inclusion of various plant extracts, the color and odor of the product may vary slightly depending on the batch of raw materials used; this is a normal phenomenon, and you can use the product with confidence. 2. Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

77 : ALONE ANGEL Crystal-Translucent Hydrating Essence

1. Product Overview

This product cares for delicate skin, leaving it radiant and smooth.

2. Product Features & Functions

Product function	Locks in moisture and hydrates the skin base.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	30 mL/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, glycerol, rose (ROSA RUGOSA) floral water, betaine, 1,2-hexanediol, Hydroxyacetophenone, sclerotium (SCLEROTIUM ROLFSSII) gum, xanthan gum. Other trace ingredients: sodium hyaluronate, dihydrogen glycyrrhizinate, PEG-75 lanolin, CHRYSANTHELLUM INDICUM extract, PORTULACA OLERACEA extract, SCUTELLARIA

	BAICALENSIS root extract, OPUNTIA STREPTACANTHA stem extract, PAEONIA SUFFRUTICOSA root bark extract, HOUTTUYNIA CORDATA extract, acetylated hexapeptide-8.
--	---

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of product to your face, massage gently until fully absorbed.
Matters need attention	1. Due to the inclusion of various plant extracts, the color and odor of the product may vary slightly depending on the batch of raw materials used; this is a normal phenomenon, and you can use the product with confidence. 2. Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

78 : ALONE ANGEL Skin Renewal & Radiance
Freeze-Dried Powder + Skin Renewal & Radiance Serum

1. Product Overview

This product cares for delicate skin, leaving it firm, supple, and clear.

2. Product Features & Functions

Product function	Locks in moisture and hydrates the skin base.
------------------	---

3. Product Specifications and Ingredients

Size of product	150 mg/bottle + 5 mL/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): Formula 1: Water, butylene glycol, glycerol, (animal) umbilical cord extract, 1,2-hexanediol, Hydroxyacetophenone, 1,3-propanediol, AMPELOPSIS JAPONICA root extract, PAEONIA ALBIFLORA root extract, ATRACTYLODES MACROCEPHALA root extract, BLETILLA STRIATA root extract, PANAX GINSENG root extract, TREMELLA FUCIFORMIS extract, PORIA COCOS extract, β-glucan. Formula 2: Water, mannitol, butanediol, oligopeptide-1. Other trace components: Formula 1: Carbamylcysteine, 1,2-pentanediol, sodium hyaluronate,

	hydrolyzed sodium hyaluronate, oligopeptide-1, nonapeptide-1, hexapeptide-2, sodium dihydrogen phosphate, Rosa Hybrid flower extract, disodium hydrogen phosphate, Gardenia jasminoides fruit extract, fibronectin, superoxide dismutase (SOD). Formula 2: Carbamylcysteine, tripeptide-1, acetylhexapeptide-8, dipeptide diaminobutyrylbenzylamide diacetate, arginine/lysine polypeptide.
--	---

4. Direction for use

Usage method	After cleansing your face, take 1 bottle of serum and pour it into 1 bottle of freeze-dried powder; allow the freeze-dried powder to fully dissolve in the serum, then apply an appropriate amount to your facial skin and massage until absorbed. Use once daily (once in the morning and once at night).
Matters need attention	1. Due to the inclusion of various plant extracts, the color and odor of the product may vary slightly depending on the batch of raw materials used; this is a normal phenomenon, and you can use the product with confidence. 2. Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

79 : ALONE ANGEL Crystal-Translucent Hydrating Moisturizing Lotion

1. Product Overview

This product features a clear, smooth texture that deeply moisturizes the skin's base layer, cares for delicate skin, and leaves it softer and more refined.

2. Product Features & Functions

Product function	Locks in moisture and hydrates the skin base.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	60 ml/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, camellia (CAMELLIA JAPONICA) seed oil, butylene glycol, isooctane, butyrospermum parkii (BUTYROSPERMUM PARKII) fruit lipids, polydimethylsiloxane, cetyl palmitate, 1,2-hexanediol, tremella fuciformis (TREMELLA FUCIFORMIS) fruit body extract, Hydroxyacetophenone, panthenol, PEG-100 glyceryl stearate, cetyl

	alcohol, glyceryl stearate, betaine, sorbitan oleate, ophiopogon japonicus (OPHIPOGON JAPONICUS) root extract, calendula officinalis (CALENDULA OFFICINALIS) flower extract, saussurea involucrata (SAUSSUREA INVOLUCRATA) extract. Other trace components: Acrylate esters (C10 – C30) – acrylate ester cross-linked polymer; xanthan gum; arginine; bergamot leaf oil (Citrus aurantium bergamia); disodium EDTA; sodium hyaluronate.
--	---

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of product to your face, massage gently until fully absorbed.
Matters need attention	1. Due to the inclusion of various plant extracts, the color and odor of the product may vary slightly depending on the batch of raw materials used; this is a normal phenomenon, and you can use the product with confidence. 2. Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

80 : ALONE ANGEL Crystal-Translucent Hydrating
Essence Cream

1. Product Overview

This product deeply moisturizes the skin's base layer, cares for delicate skin, and enhances its softness and fine texture.

2. Product Features & Functions

Product function	Locks in moisture and hydrates the skin base.
------------------	---

3. Product Specifications and Ingredients

Size of product	50g/bottle
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, isooctane, butyrospermum parkii fruit oil, glycerol, butylene glycol, isononyl isononyl ester, cetyl alcohol, polydimethylsiloxane, camellia japonica seed oil, panthenol, PEG-100 glyceryl stearate, glyceryl stearate, cetyl alcohol olivic acid ester, 1,2-hexanediol, tremella fuciformis fruit body extract, p-hydroxybenzyl acetate, betaine, sorbitan olivic acid ester, ophiopogon japonicus root extract, calendula officinalis flower extract, saussurea involucrata extract.

	Other trace components: Acrylate esters (C10 – C30) – acrylate ester cross-linked polymer; xanthan gum; arginine; bergamot leaf oil (Citrus aurantium bergamia); disodium EDTA; sodium hyaluronate.
--	---

4. Direction For Use

Usage method	After cleansing your face, apply an appropriate amount of product to your face, massage gently until fully absorbed.
Matters need attention	1. Due to the inclusion of various plant extracts, the color and odor of the product may vary slightly depending on the batch of raw materials used; this is a normal phenomenon, and you can use the product with confidence. 2. Do not use this product for children under 3 years of age; avoid contact with eyes. If skin irritation occurs, stop use immediately.

81: Biolai Duo-Dyen Age-Defying Essence Mask

1. Product Overview

This product is a functional facial mask focused on skin repair, anti-aging, and brightening; it is specifically designed to address issues such as skin damage caused by late-night use, dry and dull complexion, compromised skin barrier, and early signs of aging like fine lines. Each sheet contains 28 ml of product; its serum-like texture leaves the skin feeling hydrated, radiant, and smooth—making it particularly suitable for use in air-conditioned environments during summer or in dry winter conditions.

2. Product Features & Functions

Product function	Moisturizes and locks in hydration, repairs the skin barrier, brightens the complexion, and improves dullness.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	28 mL × 5 tablets; 28 mL × 8 tablets; 28 mL × 10 tablets
Product Ingredients	Ingredients present in amounts of 0.1% (w/w) or more: water, glycerol, butanediol, trehalose, 1,2-hexanediol, Hydroxyacetophenone, carbomer, niacinamide. Other trace components: allantoin, methylpropylamine, potassium glycyrrhizinate, octylhydroxymaleate, disodium EDTA, hydroxyethylcellulose, acacia gum (ACACIA SENEGAL), sesame seed oil (SESAMUM INDICUM), xanthan gum, sodium hyaluronate cross-linked polymer, PPG-26-butanol polyether-26, tetramethylpyrimidinocarboxylic acid, PEG-40 hydrogenated castor oil, Astragalus membranaceus (ASTRAGALUS MEMBRANACEUS) root extract, (daily-use) flavoring agent, Dendrobium nobile (DENDROBIUM NOBILE) stem extract, 1. 2-Pentanediol, extract from Saposhnikovia divaricata root, extract from Aloe barbadensis leaf, extract from Sophora flavescens root, extract from Calendula officinalis

	flower, extract from Ningxia barbary wolfberry fruit, extract from Albizia julibrissin flower, extract from Gastrodia elata root, extract from Echinacea purpurea, glycolic acid, ginsenosides, polysorbate 20, acetylated sodium hyaluronate, sodium hyaluronate, extract from Panax ginseng root, hydrolyzed sodium hyaluronate, tripeptide-1, ethylhexylglycol, hexapeptide-9, acetyl tetrapeptide-9, palmitoyl pentapeptide-4, palmitoyl tetrapeptide-7.
--	--

4. Direction for use

Usage method	1. After cleansing your skin, remove the facial mask and gently adjust it to ensure it fits perfectly against your skin; 2. Leave it on for 5 minutes, then gently remove the mesh filter from the mask to prevent the essence from dripping; 3. Leave the mask on for another 10 – 15 minutes, then remove it; you may apply the remaining essence from the bag to your face and gently massage until fully absorbed; 4. After rinsing your face with warm water, simply apply a layer of moisturizing skincare product.
Matters need attention	If you experience any discomfort, please stop using this product immediately.

82: Biolai Facial Cream

1. Product Overview

This moisturizing facial cream features a peptide-based formula, specifically designed to address dry skin and enhance its hydration and softness.

2. Product Features & Functions

Product function	Moisturizes and locks in hydration; repairs the skin barrier; soothes irritation; enhances skin texture for a smoother, finer feel.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	50g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, glyceryl stearate, cetyl stearate, polydimethylsiloxane, butylene glycol, isononyl isononate, isooctane, hydroxyethyl acrylate/acrylamide dimethyl taurate copolymer, 1,2-hexanediol, Hydroxyacetophenone, niacinamide, PEG-40 stearate, cetyl ethylhexanoate, polysorbate 60, tetramethylpyrimidinocarboxylic acid, triglycerides of octanoic acid/octanoic acid/muconic acid/stearic acid, cetyl stearate polyether-20, sorbitan isostearate, potassium dihydrogen glycinate. Other trace ingredients: sesame (SESAMUM INDICUM) seed oil, phospholipids, (cosmetic) fragrance, tocopheryl acetate, soybean (GLYCINE SOJA) oil, 1,2-pentanediol, jojoba (SIMMONDSIA CHINENSIS) seed oil, sodium polyglutamate, butyrospermum parkii (BUTYROSPERMUM PARKII) fruit oil, sodium hyaluronate,

	glycolipids, decarboxylated carnosine hydrochloride, soybean (GLYCINE SOJA) sterols, polysorbate 20, seawater, PCA sodium, tripeptide-1, alanine, glycine, sodium lactate, serine, glutamic acid, arginine, nonapeptide-1, leucine, potassium hydroxide, aspartic acid, valine, isoleucine, palmitoyl tripeptide-1, PCA magnesium, hexapeptide-9, palmitoyl tripeptide-5, PCA zinc, palmitoyl tetrapeptide-7, palmitoyl pentapeptide-4, PCA manganese, benzoylethanol, potassium sorbate, Tranexamic Acid, proline.
--	---

4. direction for use

Usage method	For the final step of skin care: apply an appropriate amount of this product evenly to your face, then gently massage until fully absorbed.
Matters need attention	If you experience any discomfort, please stop using this product immediately.

83: Biolai Essence Toner

1. Product Overview

This product is a moisturizing toner featuring peptide-based ingredients, specifically formulated to improve dry skin conditions and enhance its hydration and softness.

2. Product Features & Functions

Product function	Deep hydration, soothes dryness, exfoliates dead skin cells, enhances absorption, and improves skin texture for a smoother, finer feel.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	120ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, butanediol, acrylic acid esters/C10 - 30 alkyl alcohol acrylate cross-linked polymer, nicotinamide, 1,2-hexanediol, Hydroxyacetophenone, PEG-40 hydrogenated castor oil, tetrahydromethylpyrimidine carboxylic acid, seawater. Other trace ingredients: Sesame (SESAMUM INDICUM) seed oil, potassium dihydrogen glycyrrhizinate, 1,2-pentanediol, sodium

	polyglutamate, sodium hyaluronate, (cosmetic) fragrance, PCA sodium, polysorbate 20, decarboxylated myocytin hydrochloride, alanine, glycine, sodium lactate, serine, glutamic acid, arginine, leucine, potassium hydroxide, aspartic acid, valine, isoleucine, tripeptide-1, PCA magnesium, PCA zinc, nonapeptide-1, palmitoyl tripeptide-1, hexapeptide-9, palmitoyl tripeptide-5, PCA manganese, benzyl alcohol, potassium sorbate, Tranexamic Acid, proline, palmitoyl tetrapeptide-7, palmitoyl pentapeptide-4.
--	--

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of this product evenly to your face, then gently massage until fully absorbed.
Matters need attention	If you experience any discomfort, please stop using this product immediately.

84: Biolai Facial Lotion

1. Product Overview

This moisturizing lotion features a peptide-based formula and is specifically designed to address skin dryness while enhancing its hydration levels and softness.

2. Product Features & Functions

product function	Moisturizes and locks in hydration; regulates skin texture; enhances absorption; improves skin's fine-textured quality.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	80ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, cetyl stearate, C14 - 22 alcohols, ceteth-20 olive oil acid ester, 1,2-hexanediol, butylene glycol, Hydroxyacetophenone, sorbitan oleate, niacinamide, sorbitan olive oil acid ester, polyacrylamide, C12 - 20 alkylglucoside, tetramethylpyrimidinocarboxylic acid, isooctane, C13 - 14 isoalkanes, hydroxyethyl acrylate/acrylamide dimethyl taurate copolymer, potassium glycyrrhizinate, glyceryl stearate, polydimethylsiloxane. Other trace ingredients: polysorbate 60, lauryl polyether-7, sorbitan isostearate, (cosmetic) fragrance, 1,2-pentanediol, sodium polylactic acid, sodium hyaluronate, sesame (SESAMUM INDICUM) seed oil,

	decarboxylated myocytin hydrochloride, polysorbate 20, seawater, PCA sodium, tripeptide-1, alanine, glycine, sodium lactate, serine, glutamic acid, arginine, nonapeptide-1, leucine, potassium hydroxide, aspartic acid, valine, isoleucine, palmitoyl tripeptide-1, PCA magnesium, hexapeptide-9, palmitoyl tripeptide-5, PCA zinc, palmitoyl tetrapeptide-7, palmitoyl pentapeptide-4, PCA manganese, benzyl alcohol, potassium sorbate, Tranexamic Acid, proline.
--	---

4. Direction for use

Usage method	After cleansing or after using a toner, apply an appropriate amount of this product evenly to your facial skin, then gently massage until fully absorbed.
Matters need attention	If you experience any discomfort, please stop using this product immediately.

85: Biolai Skin Care Serum

1. Product Overview

This product is a moisturizing essence featuring peptide ingredients, specifically formulated to improve dry skin and enhance its hydration and softness.

2. Product Features & Functions

Product function	Moisturizes and locks in hydration; regulates skin texture; enhances absorption; improves skin's fine-textured quality.
-------------------------	---

3. Product Specifications and Ingredients

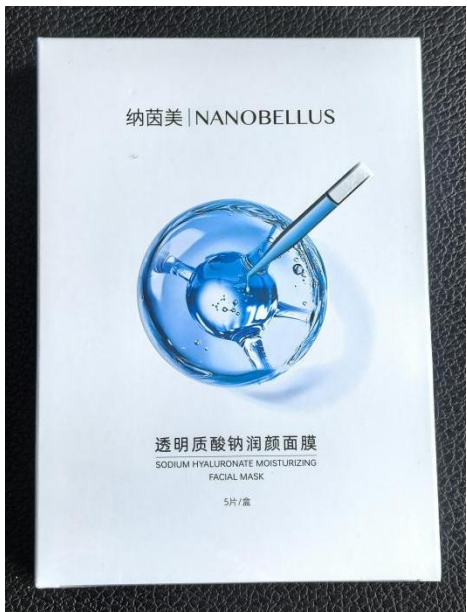

Size of product	30ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, glycerol, niacinamide, 1,2-hexanediol, p-hydroxybenzyl alcohol, sodium hyaluronate, tetrahydroimidazole carboxylic acid, PEG-40 hydrogenated castor oil, potassium dihydrogen tartrate. Other trace ingredients: Acrylate (ester) compounds / C10 - 30 alkyl alcohol acrylate cross-linked polymer; triethanolamine; sesame (SEEDAMUM INDICUM) seed oil; hydrolyzed sodium hyaluronate; 1,2-pentanediol; sodium polyglutamate; hydroxypropyltrimethylammonium chloride; hyaluronic acid; hydrolyzed hyaluronic acid; polysorbate 20; decarboxylated myocytin

	hydrochloride; seawater; PCA sodium; tripeptide-1; alanine; serine; sodium lactate; glycine; leucine; palmitoyl tripeptide-1; valine; isoleucine; glutamic acid; potassium hydroxide; nonapeptide-1; arginine; aspartic acid; palmitoyl tripeptide-5; hexapeptide-9; PCA magnesium; PCA zinc; (daily-use) fragrance; palmitoyl tetrapeptide-7; palmitoyl pentapeptide-4; PCA manganese; benzyl alcohol; potassium sorbate; Tranexamic Acid; proline.
--	--

4. Direction for use

Usage method	After cleansing your face, apply an appropriate amount of this product evenly to your face, then gently massage until fully absorbed.
Matters need attention	If you experience any discomfort, please stop using this product immediately.

86: Nayinmei Sodium Hyaluronate Clear Facial Mask

1. Product Overview

This product contains a variety of sodium hyaluronate and natural plant extracts that deeply hydrate and lock in moisture for the skin, enhance its elasticity and radiance, leave the skin feeling hydrated and clear, and effectively care for the skin to make it more luminous.

2. Product Features & Functions

Product function	Moisturizes and locks in moisture, while soothing the face.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	28 g × 5 tablets
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, butanediol, betaine, 1,2-hexanediol, carbomer, triethanolamine, hyaluronic acid. Other trace components: tetrahydromethylpyrimidine carboxylic acid, octyl hydroxymaleate, octyl glycine, Magnolia denudata flower extract, Chlorella vulgaris extract, dipropylene glycol, 1,2-pentanediol, sodium hyaluronate cross-linked polymer, superoxide dismutase (SOD),

	hydrolyzed sodium hyaluronate, acetylated sodium hyaluronate, hydroxypropyltrimethylammonium hyaluronate, ethylhexyl glycol.
--	--

4. Direction for use

Usage method	After cleansing your face, remove the product and apply it to your face; you may gently press to squeeze out any bubbles, ensuring the mask adheres completely to your facial skin. Leave it on for 15 – 20 minutes, then remove the product and pat gently with your fingers to allow the essence to be fully absorbed.
Matters need attention	1. If you experience any discomfort after use, please discontinue use of this product immediately; 2. If this product accidentally enters your eyes, rinse them thoroughly with clean water; 3. Please keep this product out of reach of children; do not use this product for children under 3 years of age. 4. Store this product in a cool, dry place away from light.

87: Nayinmei Recombinant Collagen Soothing & Repairing Mask

1. Product Overview

This product contains recombinant collagen, various plant extracts, and moisturizing ingredients, which can quickly soothe and repair the skin; it is suitable for dry, rough, dull, or sensitive skin.

2. Product Features & Functions

Product function	Offers anti-wrinkle, firming, moisturizing, oil-control, repairing, nourishing, and soothing benefits.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	28 g × 5 tablets
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, glycerol, butylene glycol, 1,3-propanediol, nicotinamide, 1,2-hexanediol, pomegranate (PUNICA GRANATUM) peel extract, centella asiatica (CENTELLA ASIATICA) leaf extract, methyl glucitol polyether-20, purslane (PORTULACA OLERACEA) extract, carbomer, tremella fuciformis (TREMELLA FUCIFORMIS) extract. Other trace ingredients: Houttuynia cordata (HOUTTUYNIA CORDATA) extract, Chrysanthellum indicum (CHRYSANTHELLUM INDICUM) extract, triethanolamine, Opuntia streptacantha (OPUNTIA STREPTACANTHA) stem extract, Scutellaria baicalensis (SCUTELLARIA BAICALENSIS) root extract, Paeonia suffruticosa

	(PAEONIA SUFFRUTICOSA) root bark extract, xylitol, Camellia sinensis (CAMELLIA SINENSIS) extract, sodium hyaluronate, isononyl hydroxymaleate, collagen, dehydrated xylitol, Ellagic Acid, xanthan gum, 1,2-pentanediol, superoxide dismutase (SOD), glutathione, and Hydroxyacetophenone.
--	--

4. Direction for use

Usage method	1. Cleanse your face; 2. Remove the facial mask and apply it to your face for 15 – 20 minutes; 3. Remove the film mask, then gently massage until the essence is fully absorbed.
Matters need attention	1. If any discomfort occurs after use, please discontinue use of this product immediately; 2. If this product accidentally enters your eyes, rinse them thoroughly with clean water; 3. Please keep this product out of reach of children; 4. Store this product in a cool, dry place away from light; 5. Contraindicated in individuals with a history of collagen-based product allergies.

88: Nayinmei Recombinant Collagen Anti-Wrinkle Firming Essence

1. Product Overview

This product contains recombinant collagen and a variety of active ingredients, making it suitable for daily facial skincare; it is particularly recommended for individuals with skin laxity, dryness, or other skin concerns with low tolerance.

2. Product Features & Functions

Product function	Reduces fine lines and improves skin laxity, leaving the skin firm and elastic.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	1.5 mL × 30 vials
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, glycerol, glyceryl polyether-26,1,2-pentanediol, 1,3-propanediol, glycerol glucoside, 1,2-hexanediol, triethanolamine, acrylic acid (ester) / C ₁₀₋₃₀ alkyl alcohol acrylate cross-linked polymer. Other trace ingredients: panthenol, carnosine, collagen, xanthan gum, octyl hydroxymaleate, sodium polyglutamate, hydrolyzed sodium hyaluronate, ethylhexyl glycol, acetylated sodium hyaluronate, mannitol, tetramethylpyrimidinocarboxylic acid, Portulaca oleracea extract, superoxide dismutase (SOD), β -glucan, octyl glycol,

	tocotrienol, betaine, dipeptide diaminobutyrylbenzylamide diacetate, ergothioneine, acetyl hexapeptide-8, palmitoyl tripeptide-1, arginine/lysine polypeptide.
--	--

4. Direction for use

Usage method	1. Press the pump head to extrude an appropriate amount of essence; 2. Apply the serum evenly to your facial skin; 3. Use your fingertips to gently massage along the skin's natural texture from the inside out until fully absorbed.
Matters need attention	1. Please store this product in a dry place at room temperature; 2. Please keep this product out of reach of children; 3. Contraindicated in patients with a history of collagen-based product allergies; 4. If you experience any discomfort after use, please discontinue use of this product immediately; 5. If the product accidentally enters your eyes during use, rinse thoroughly with clean water.

89 : Nayinmei Recombinant Collagen Moisturizing & Repairing Spray

1. Product Overview

This product contains recombinant collagen and a variety of skin-nourishing ingredients, is rich in multiple potent moisturizing agents, helps soothe and repair the skin, provides long-lasting hydration and moisture retention, alleviates dryness and roughness caused by dehydration, and is suitable for daily facial skincare.

2. Product Features & Functions

Product function	Provides moisturizing, soothing, and repairing benefits.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	50ml
Product Ingredients	Ingredients present in amounts of 0.1% (w/w) or more: water, butylene glycol, glycerol, 1,2-pentanediol, 1,3-propanediol, and 1,2-hexanediol. Other trace ingredients: sodium citrate, collagen, octyl hydroxymaleate, Scutellaria baicalensis (SCUTELLARIA BAICALENSIS) extract, hydrolyzed sodium hyaluronate, acetylated sodium hyaluronate,

	Sophora angustifolia (SOPHORA ANGUSTIFOLIA) root extract, Glycyrrhiza inflata (GLYCYRRHIZA INFLATA) root extract, tetrahydromethylpyrimidine carboxylic acid, Portulaca oleracea (PORTULACA OLERACEA) extract, β -glucan, and octyl glycol.
--	---

4. Direction for use

Usage method	Apply 10 – 15 cm from the facial skin; press the pump head to evenly spray in circular motions, then pat gently until fully absorbed.
Matters need attention	1. Please store this product in a dry place at room temperature; 2. Please keep this product out of reach of children; 3. Contraindicated in patients with a history of collagen-based product allergies; 4. If you experience any discomfort after use, please discontinue use of this product immediately; 5. When using this product, hold your breath to avoid inhaling; if it accidentally enters your eyes, rinse them thoroughly with clean water.

90: Nayinmei Recombinant Collagen Anti-Wrinkle Firming Essence

1. Product Overview

This product contains recombinant collagen and a variety of skin-nourishing ingredients, making it suitable for daily facial skincare; however, it is not recommended for individuals with skin laxity, dryness, or other conditions that indicate low skin tolerance.

2. Product Features & Functions

Product function	Reduces fine lines and improves skin laxity, leaving the skin firm and elastic.
-------------------------	---

3. Product Specifications and Ingredients

Size of product	30ml
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, glycerol, glyceryl polyether-26,1,2-pentanediol, 1,3-propanediol, glycerol glucoside, 1,2-hexanediol, triethanolamine, acrylic acid (ester) / C ₁₀₋₃₀ alkyl alcohol acrylate cross-linked polymer. Other trace ingredients: panthenol, carnosine, collagen, xanthan gum, octyl hydroxymaleate, sodium polyglutamate, hydrolyzed sodium

	hyaluronate, ethylhexyl glycol, acetylated sodium hyaluronate, mannitol, tetramethylpyrimidinocarboxylic acid, Portulaca oleracea extract, superoxide dismutase (SOD), β -glucan, octyl glycol, tocotrienol, betaine, dipeptide diaminobutyrylbenzylamide diacetate, ergothioneine, acetyl hexapeptide-8, palmitoyl tripeptide-1, arginine/lysine polypeptide.
--	--

4. Direction for use

Usage method	1. Press the pump head to extrude an appropriate amount of essence; 2. Apply the serum evenly to your facial skin; 3. Use your fingertips to gently massage along the skin's natural texture from the inside out until fully absorbed.
Matters need attention	1. Please store this product in a dry place at room temperature; 2. Please keep this product out of reach of children; 3. Contraindicated in patients with a history of collagen-based product allergies; 4. If you experience any discomfort after use, please discontinue use of this product immediately; 5. If the product accidentally enters your eyes during use, rinse thoroughly with clean water.

91 : Nayinmei Recombinant Collagen Moisturizing Face Cream

1. Product Overview

This product contains the patented ingredient recombinant collagen, along with moisturizing agents such as panthenol and squalane, which provide long-lasting hydration and relieve skin dryness and roughness caused by dehydration; it is suitable for daily facial skincare.

2. Product Features & Functions

Product function	Long-lasting hydrating effect that soothes dry, rough skin.
------------------	---

3. Product Specifications and Ingredients

Size of product	50g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water; butylene glycol; cyclic pentadecyl dimethylsiloxane; polydimethylsiloxane; isononyl isononyl ester; octanoic acid/guanoic acid triglyceride; squalane; polyglyceryl-6 laurate; 1,2-pentanediol; PEG-10 sorbitan stearate; cetyl alcohol;

	isopropyl alcohol; PEG-240/HDI copolymer; behenyltetradecyl polyether-20 ether; panthenol; polydimethylsiloxane alcohol; polyacrylamide; 1,2-hexanediol; Bisabolol; ceteth-20; hydroxypropyl tetrahydrofuran triol; flavoring; C13 - 14 iso-alkanes. Other trace ingredients: collagen, ethylhexyl glycol, lauryl alcohol polyether-7, tetramethylpyrimidinocarboxylic acid, carnosine, purslane (*Portulaca oleracea*) extract, superoxide dismutase (SOD), hydrated silica, disodium hydrogen phosphate, dimethylsilylated silica, sodium dihydrogen phosphate, potassium laurate, tocopherol (vitamin E).
--	--

4. Direction for use

Usage method	1. After cleansing your skin, apply an appropriate amount of facial cream evenly across your face; 2. Use your fingertips to gently massage along the skin's natural texture from the inside out until fully absorbed.
Matters need attention	1. Please store this product in a dry place at room temperature; 2. Please keep this product out of reach of children; 3. Contraindicated in patients with a history of collagen-based product allergies; 4. If you experience any discomfort after use, please discontinue use of this product immediately; 5. If the product accidentally enters your eyes during use, rinse thoroughly with clean water.

92: Nayinmei Recombinant Collagen Acne-Removal Gel

1. Product Overview

This product is formulated with collagen and fibronectin—key ingredients developed in-house by our company—as its core components, combined with ceramide NP, panthenol, and a blend of multiple plant extracts. Its lightweight texture absorbs easily, delivering deep hydration, revitalizing the skin, rapidly alleviating acne-related discomfort, strengthening the skin barrier, maintaining overall skin health, and reducing the recurrence of acne.

2. Product Features & Functions

Product function	Effective for acne treatment, soothing, and skin repair.
-------------------------	--

3. Product Specifications and Ingredients

Size of product	30g
Product Ingredients	Ingredients comprising $\geq 0.1\%$ (w/w): water, butylene glycol, propylene glycol, isopropyl alcohol, glycerol, panthenol, acrylic acid esters/C10 - 30 alkyl alcohol acrylate cross-linked polymer, 1,2-hexanediol, Hydroxyacetophenone, arginine, matrine, PEG-40 hydrogenated castor oil. Other trace components: glycolic acid; Sophora angustifolia root extract; Zanthoxylum bungeanum fruit extract; Capsicum frutescens fruit extract; Piper methysticum root extract; methyl diisopropyl acrylamide; maltodextrin; mannitol; disodium EDTA; cetyl alcohol polyether-20; octanoic acid/decanoic acid triglycerides; polyglyceryl-10

	stearate; Sclerotium rolfsii gum; fibronectin; ceramide NP; collagen; papain; quaternary ammonium salt-73; octylene glycol; polysorbate-20; Phellodendron amurense bark extract; lupeol-5-al; Salix alba bark extract; Rehmannia chinensis root extract; Houltuynia cordata extract; Scutellaria baicalensis root extract; Glycine soja seed extract; Melia azadirachta flower extract.
--	---

4. Direction for use

Usage method	After cleansing, apply an appropriate amount of this product to the acne-prone area, massage gently until absorbed, once in the morning and once at night.
Matters need attention	1. Please store this product in a dry place at room temperature; 2. Please keep this product out of reach of children; 3. Contraindicated in patients with a history of collagen-based product allergies; 4. If the product accidentally enters your eyes during use, rinse them thoroughly with clean water; 5. If you experience any discomfort after use, please stop using this product immediately; if necessary, consult a physician.
